Contemporary Italian Women Writers and Traces of the Fantastic Danielle Hipkins, 2017-12-02 Contemporary fantastic fiction particularly that written by women often challenges traditional literary practice At the same time the predominantly male authored canon of fantastic literature offers a problematic range of gender

stereotypes for female authors to re write Fantastic tropes of space in particular enable three important contemporary Italian female writers Paola Capriolo b 1962 Francesca Duranti b 1935 and Rossana Ombres b 1931 to encounter and counter anxieties about writing from the female subject All three writers begin by exploring the hermetic fantastic space of enclosure with a critical or troubled eye but eventually opt for wider national and often international spaces in which only a fantastic trace remains This shift mirrors their own increasingly confident distance from male authored literary models and demonstrates the creative input that these writers bring to the literary canon by redefining its generic boundaries

Disguising Disease in Italian Political and Visual Culture Sharon Hecker,Arianna Arisi Rota,2024-08-30 Although considered an isolated event the Italian government s initial resistant response to COVID 19 has deep historical roots This is the first interdisciplinary book to critically examine the ongoing phenomenon of disguising contagious disease in Italy from Unification to the present The book explores how governments public opinion social entities and cultural production have avoided or sublimated contagion during cholera typhoid syphilis malaria HIV and COVID 19 to impose narratives of the nation s healthy body in Italy and its colonies Examples range from a tuberculosis sanatorium in Capri that masked as a luxury hotel and hideaway for queer couples to an obscure but talented professor who found a new cure for syphilis from denial of disease in governmental actions to sublimated representations in Italian art literature and films such as Luchino Visconti s cinematic adaptation of Thomas Mann s Death in Venice to a sociological study of the need to include fragile figures based on the lessons of COVID 19 Intended for scholars students and general readers interested in the history of medicine political and cultural history and Italian studies this volume shows how contagious diseases clash with the official narrative of emerging modernized urban settings and challenge the desire for political and economic stability Voglio morire! Suicide in Italian Literature, Culture, and Society 1789-1919 Paolo L. Modern Spiritualism in Italian Literature and Culture (1765-1969) Gennaro Ambrosino,Fabio Camilletti,Bart Van den Bossche,2025-11-24 In reconstructing the history of Modern Spiritualism scholars have largely focused on its Anglo American French and German developments often overlooking the Italian context Modern Spiritualism in Italian Literature and Culture

1765 1969 challenges this perspective by examining the Italian case as a space of intersection between transnational currents of thought and deeply rooted cultural traditions From the Enlightenment to the occult revival of the 1960s Modern Spiritualism in Italy engaged with scientific discourse philosophical speculation literary imagination and Catholic doctrine producing a hybrid intellectual landscape that remains largely understudied This volume traces the circulation and transformation of spiritualist ideas across different media and disciplines analysing their impact on literature psychology and science By situating Italy within the broader European and transatlantic networks of occult knowledge Modern Spiritualism in Italian Literature and Culture provides a new vantage point from which to rethink the historical evolution of modernity belief and the supernatural

Rebellion, Death, and Aesthetics in Italy David Del Principe,1996 Although these artists are loosely grouped as a literary movement the influence of Scapigliatura has been rightfully confirmed in Decadent fin de siecle literature and arguably in the twentieth century historical avant garde *Encyclopedia of Italian Literary Studies: A-J* Gaetana Marrone,2007 Publisher description *The Italian Gothic and Fantastic* Francesca Billiani,Gigliola Sulis,2007 Meanwhile by assimilating the Other into our own modes of representation of reality and imagination twentieth century female writers of the fantastic show how alternative identities can be shaped and social constituencies can be challenged
