Race Pimping The Multi Trillion Dollar Business Of Liberalism:

Race Pimping Kevin Jackson, 2014 Race pimping has cost America TRILLIONS of dollars as the money in race guilt is fantastic Politicians line their pockets and those of family and friends while delivering little to nothing to their constituents or the community at large

Liberalism or How to Turn Good Men into Whiners, Weenies and Wimps Burgess Owens, 2016-07-19 The black middle class saviors of the American way Liberalism or How to Turn Good Men into Whiners Weenies and Wimps documents the role of the 21 white self avowed socialist atheist and Marxist founders of the NAACP and their impact on the Black community s present status at the top of our nations misery index It highlights the decades of anti Black legislation supported by liberal black leaders who prioritized class over race in their zeal for the promises of socialism Their anti Black legislation dating back with the 1932 Davis Bacon Act continues today to suppress inter community Black capitalism federal construction related Black employment work and job experience for Black teenagers quality education access for urban black children and the role of black men as leaders within the family unit Liberalism or How to Turn Good Men into Whiners Weenies and Wimps highlights the strategy used in 1910 to inject the atheist ideology of socialism into a once enterprising self sufficient competitive and proud Christian black community A portion of that community the conservative Black middle class is positioned to pull our nation back from this abyss Americans can ensure that the century long sacrifice of lost hopes dreams and lives made by the proud courageous patriotic capitalist Christian based self sufficient education seeking Black community of the early 1900s was not in vain but only if we choose to learn lessons from those past Black generations

[From the Shadows into the Sunlight](#) Rick Kelly, 2021-01-27 All Americans should welcome the opportunity to move forward into a better future for America and for all Americans while mending ancient wounds from the nations original sin and at the same time seek to remediate the lingering ills and inflicted hardships still present to this day that divides the nation s people such that some Americans still feel relegated to second class citizenship Courageous people of all faiths of goodwill and of conscience can impart heartfelt support for a new emancipation that moves toward freeing both black and white Americans from the racial disharmony and acrimony that surrounds the issue of racial discrimination in America It is now possible to seek a new direction that promotes self reliance and economic progress from within the black community by redirecting black earned resources through black individuals not through the endless ineffective government programs and bureaucracies It has been more than half a century since the Civil Rights Act of 1964 outlawed the racial discrimination and segregation that persists to this day and the government has clearly failed to abate such daily pathologies Government poverty and affirmative action programs have not reduced the racial wealth gap that remains virtually unchanged since 1964 The black middle class suffers from consistently higher unemployment rates while also being burdened with increasing high student loan debt and home mortgage debt that reduces the opportunity for home ownership and family net worth growth President John F Kennedy in a 1961 speech repeated the time worn saying that the only thing

necessary for the triumph of evil is that good men do nothing This book suggests a new direction of self reliance and hope with a new emancipation proclaimed for all Americans if only there is finally the will to put the nation s dark past behind us and move out of the shadows and into the sunlight of a just and moral new future **Why I Stand** Burgess

Owens,2018-10-30 American Individualism has been the crown jewel of a nation that based on its Judeo Christian values has prioritized God family and freedom to out dream its obstacles It is the freedom of this individual spirit that is under attack by its adversarial ideology Marxist Socialism This destructive ideology has resulted in killing fields of bodies souls and dreams of billions worldwide Consistent is the destruction of manhood womanhood the family and every pillar that supports love of God and country Why I Stand documents an ideology that uses trust to divide and betray It was the ideology of the 1910 NAACP National Association for the Advancement of Colored People founded by twenty one White Marxist Socialist atheist and eugenicist Democrats They succeeded within decades to undermine the progress of the most entrepreneurial patriotic Christian educated family oriented and competitive minority in our nation during that era the Black community This strategy of trust betrayal is utilized by many of today s politicians and corporate leaders It has been the Congressional Black Congress that have voted 100% for every anti Black policy demanded of them by their White Democratic leadership It has been the NFL that has prioritized its expansion to 10 international countries over loyalty to its American fans Its leadership has justified the denigration of its All American brand in exchange for a global World Citizen brand American Individualism is the sole source of progress granting each individual the chance and stimulation for development of the best with which he has been endowed in heart and mind President Herbert Hoover We MUST defend it **Hijacked!** Clarence Washington

Sr.,2021-06-24 In this four volume series Hijacked How Dr King s Dream Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King s dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it s time to wake up In the second volume of the Hijacked collection The Hijack the author analyzes the various methods by which Dr King s dream is being hijacked and demonstrates the fruitless negative results that such methods are destined to impart to individual Americans and the nation as a whole This volume uncovers hidden agendas of the disciples of Saul Alinsky s rules for radicals the disciples of James Cone s Black liberation theology and the hidden agendas of other leftists and progressive elitists in America The author reveals how their philosophically biblically and historically errant ideologies have pervaded the minds of desperate people of meager means the softminded and the easily deceived in our nation with belief systems that have enslaved instead of freeing them For the full dissection of Dr King s dream and how our failure to adhere to its principles has led to a nightmare explore the other volumes in Hijacked How Dr King s Dream Became a Nightmare Other volumes in this series focus on the dream the nightmare and how we can recover

Closest of Strangers: Liberalism and the Politics of Race in New York Jim Sleeper,1991-09-17 In this study of race relations in N Y C Sleeper an editorial writer for New York Newsday harshly criticizes both black leaders and their liberal

supporters for pointing a finger at America's racist society rather than setting concrete goals to overcome inequality Kirkus Reviews A report of the current state of race relations in New York City which examines the differing views of militants liberals and forgotten minorities and presents suggestions for racial common sense that attempt to demolish long standing stereotypes
