Excursions into Modernism Joyce Kelley, 2017-05-15 Positioned at a crossroads between feminist geographies and modernist studies *Excursions into Modernism* considers transnational modernist fiction in tandem with more rarely explored travel narratives by women of the period who felt increasingly free to journey abroad and redefine themselves through travel In an era when Western artists writers and musicians sought primitive ideas for artistic renewal Joyce E. Kelley locates a key

similarity between fiction and travel writing in the way women authors use foreign experiences to inspire innovations with written expression and self articulation She focuses on the pairing of outward journeys with more inward introspective ones made possible through reconceptualizing and mobilizing elements of women s traditional corporeal and domestic geographies the skin the ill body the womb and the piano In texts ranging from Jean Rhys s *Voyage in the Dark* to Virginia Woolf s *The Voyage Out* and from Evelyn Scott s *Escapade* to Dorothy Richardson s *Pilgrimage* Kelley explores how interactions between geographic movement identity formation and imaginative excursions produce modernist experimentation Drawing on fascinating supplementary and archival materials such as letters diaries newspaper articles photographs and unpublished drafts Kelley s book cuts across national and geographic borders to offer rich and often revisionary interpretations of both canonical and lesser known works

Live a Little Kim Green,2008-08-15 What do you do if you have two bratty teenage kids who don t give you the time of day What do you do if your husband is more interested in his remote than you What do you do if you re forever being compared to your perfect sister who just happened to marry your perfect boyfriend And what do you do if you re told you have stage 4 breast cancer Well if you re Raquel Rose you tell your family your diagnosis and then you watch them go from treating you like dirt to treating you like a queen Then you go on to raise unprecedented amounts of money for breast cancer research You fulfill your early artistic promise And you find you love this new life of yours no matter how fleeting it may be So when the doctor calls to tell her that there was a mistake and she s actually perfectly healthy instead of sharing her good news Raquel can t relinquish the sudden attention and love from her family Soon Raquel s lie by omission snowballs and the wise cracking 40 something becomes a sought after figure on her sister s popular talk show elevating her illness to local rock star status Her mistaken diagnosis becomes the fated opportunity to fix the glaring problems in her life her stalled career as an artist her lackluster marriage her unappreciative children and her highly dysfunctional family And while she wants to tell the truth she s afraid to give it all up would her family go back to taking her for granted Would the donors rescind their checks if they think she was a fraud In the end it s up to Raquel to find her real cure an ending that befits the second chance she s been granted
