Great Commission, Great Confusion, or Great Confession? Lucas V. Woodford, 2012-04-26

There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the communion of saints the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same

Elahe Hessamfar,2015-02-26 Schizophrenia is often considered one of the most destructive forms of mental illness Elahe Hessamfar s personal experience with her daughter s illness has led her to ask some pressing and significant questions about the cause and nature of schizophrenia and the Church s role in its treatment With a candid and revealing look at the history of mental illness In the Fellowship of His Suffering describes schizophrenia as a variation of human expression Hessamfar uses a deeply theological rather than pathological approach to interpret the schizophrenic experience and the effect it has on both the patients and their families Effectively drawing on the Bible as a source of knowledge for understanding mental illness she offers a reflective yet innovative view of whether the Church could or should intervene in such encounters and what such an intervention might look like Hessamfar s comprehensive work will provoke powerful responses from anyone interested in the prominent social issue of mental illness Her portrayal of the raging debate between treating insanity either pastorally or medically will enthrall readers be they Christians medical students or those in the field of psychiatry and social sciences

Table Matters Felicia Howell LaBoy,2017-11-09 In many churches the work of evangelism and social justice is relegated to clergy staff or special committees Rarely do most members of the laity believe they should or even want to engage in the tasks of evangelism and social justice In this volume LaBoy contends that participation in baptism and Eucharist mandates for all Christians and those who are Wesleyan in their orientation in particular that evangelism and social justice are not optional but in fact integral to their worship and witness She argues that this understanding and practice of the integration of sacraments evangelism and social justice are what can help churches deal with contemporary issues of decline and church disenfranchisement by both congregants and those beyond church walls LaBoy further argues that making the sacraments central to the worship life of congregations is what made early Methodists great evangelists and advocates for social justice
