Rafa, mi historia John Carlin, Rafael Nadal, 2011-10-21 C mo se forja un campe n Qu hay que hacer para ser el mejor del mundo en un deporte como el tenis Con sencillez franqueza e inteligencia Rafael Nadal gu a a los lectores por el dram tico y triunfante viaje de su vida sin perder nunca de vista el trofeo que m s valora en este mundo la unidad y el amor de su familia Desde que inici su trayectoria profesional ha ascendido mete ricamente y es el tenista profesional m s joven que ha ganado los cuatro t tulos de Grand Slam Su historia empieza en la isla de Mallorca donde la familia Nadal ha vivido durante generaciones Entrenado por su t o Toni desde que ten a 4 a os educado por sus padres en la modestia y el respeto Rafa ha conseguido la inusual haza a de ser una persona sencilla laboriosa y amable y un ejemplo de conducta en todos los aspectos de la vida

Rafa Rafael Nadal, John Carlin, 2011-08-23 In his memoir written with award winning journalist John Carlin tennis star Rafael Nadal reveals the secrets of his game and shares the inspiring personal story behind his success What makes a champion What does it take to be the best in the world at your sport Rafael Nadal has the answers It begins in Mallorca where the tight knit Nadal family has lived for generations Coached by his uncle Toni from the age of four and taught humility and respect by his parents Nadal has managed the uncommon feat of becoming an acclaimed global celebrity while remaining a gracious hardworking role model for people in all walks of life Now he takes us behind the scenes from winning the Wimbledon 2008 final described by John McEnroe as the greatest game of tennis he had ever seen to the family problems that brought him low in 2009 and the numerous injuries that have threatened his career With candor and intelligence Nadal brings readers on his dramatic and triumphant journey never losing sight of the prize he values above all others the unity and love of his family From RAFA During a match you are in a permanent battle to fight back your everyday vulnerabilities bottle up your human feelings The more bottled up they are the greater your chances of winning so long as you ve trained as hard as you play and the gap in talent is not too wide between you and your rival The gap in talent with Federer existed but it was not impossibly wide It was narrow enough even on his favorite surface in the tournament he played best for me to know that if I silenced the doubts and fears and exaggerated hopes inside my head better than he did I could beat him You have to cage yourself in protective armor turn yourself into a bloodless warrior It s a kind of self hypnosis a game you play with deadly seriousness to disguise your own weaknesses from yourself as well as from your rival Rafa,
