Writing Against the Curriculum Randi Gray Kristensen, Ryan M. Claycomb, 2010-01-01 Writing against the Curriculum responds to the popularity of Writing Across the Curriculum WAC and similar programs in U S higher education Essays by administrators faculty and librarians teaching introductory and advanced writing classes argue that such classrooms make excellent spaces to question disciplinarity through the study of rhetoric critical thinking and curricular flexibility This intervention in composition and cultural studies discourses enables the activist enactment of cultural studies theory and addresses the theoretical implications of composition practices

Templates Stephen Lewis, 2014-12-19 Beginning with the simple two word sentence and working up to multi clause possibilities Templates shows students how to manipulate syntactic patterns for maximum rhetorical effect Although it teaches grammar it does not do so with the goal of correcting mistakes Rather it encourages writers to make full use of the complexity and flexibility of English sentence structure Combining an emphasis on the writing process with both an awareness of audience and a raised consciousness about English grammar Templates takes a unique approach to sentence level writing and revision Exercises throughout the book help students to move from simpler sentence structures to more complex multi clause constructions Key features Emphasizes the rhetorical possibilities of sentence structure Grammatical analysis is demonstrated in terms of syntactic templates Shows how the writer can play to audience awareness of these templates Promotes sentence level editing as the fine tuning stage of the writing process Usage issues are presented as choices based on level of formality rather than as prescriptive rules Includes a glossary of grammatical terms

A Universal Template for Research Position and Life Experience Papers Dale Benjamin Drakeford, 2005 The self descriptive title A Universal Template For Research Position and Life Experience Papers implies that there is a position that writers take in even the simplest of essays As such Template provides an opportunity to accomplish two tasks at once consider the definitive differences between Research Position and Experience papers and explore the issues that impound and empower contemporary urban education Dale Benjamin Drakeford provides an interactive workshop to guide student writing on any social science subject Agreeing with many scholars that public and free pedagogy is indispensable the author also argues that there is no wrong or right in scholastic debate only correct presentation of objective thoughts or non objective attitudes This the author says is what is sometimes forgotten in the heat of getting ideas on paper Hence Template provides structure for planning papers and in process cues for staying on task to complete them with proper formality
