The Pearl of Greatest Price narrates the history of Mormonism s fourth volume of scripture canonized in 1880 as The Pearl of Great Price The authors track its predecessors describe its several components and assess their theological significance within the Church of Jesus Christ of Latter day Saints From the disputed origins of Smith s Book of Abraham to perceived discrepancies between Smith s canonized visionary account and other versions the status of this text is vital to the church s present health and future prospects **Gospel Themes: A Treatise on Salient Features of "Mormonism"** Orson F.

Whitney,2021-05-19 In Gospel Themes A Treatise on Salient Features of Mormonism Orson F Whitney presents a profound exploration of the core tenets of Latter day Saint theology Through a combination of eloquent prose and incisive reasoning Whitney deftly examines themes such as the nature of God the role of Jesus Christ and the enduring significance of revelation Written in the early 20th century the work reflects the intersection of the religious fervor of the time and the intellectual currents of the period engaging with contemporary societal and theological issues while remaining firmly rooted in Mormon doctrine Orson F Whitney a significant figure in early Mormon intellectualism served in various capacities within the church including as an apostle and a historian His deep personal faith and scholarly pursuits drove him to articulate the principles of his religion in a manner accessible to both believers and seekers alike Whitney s background marked by a commitment to education and dialogue informed his approach to discussing the fundamental aspects of Mormonism making them relevant to

both his contemporaries and future generations This book is highly recommended for anyone wishing to gain a deeper understanding of the unique doctrinal positions of the Latter day Saints Whitney s ability to articulate complex ideas in an engaging manner invites readers whether scholars students or casual readers to explore the rich tapestry of Mormon beliefs and their implications for broader theological discussions *The Young Woman's Journal* ,1918 **Subject Catalog, 1976** Library of Congress,1976 **Catalog of Copyright Entries, Third Series** Library of Congress. the character attributes and perfections of God than any other modern work and the Book of Abraham as originally restored by revelation to Joseph Smith This volume also contains the revelations of Denver Snuffer another witness of the resurrected Lord who has walked and talked with Him and the Testimony of St John as restored by revelation Taken together the various works included in Teachings and Commandments speak to us through hundreds of revelations containing thousands of words from God all pertaining to us in our day and time A Glossary of Gospel Terms provides inspired and thought provoking insights into many of the most interesting terms and puzzling concepts found in scripture A wealth of information this intriguing book should be the companion of everyone searching for a deeper understanding of the things of God Covering hundreds of scriptural topics A Glossary of Gospel Terms adds depth to seemingly well understood topics and provides new and delicious insights into those areas of spirituality that have been shrouded in mystery until now Its objective is to uncover truth and inspire readers to pursue a relationship with Christ
