

GIFT BASKET IDEAS

A gift basket for police officers. The basket is made of dark wicker and is filled with various items. A large black flashlight is on the left. Next to it is a black mug. In the center, there is a black camera lens. To the right of the lens is a black coffee cup with a police badge on it. In the foreground, there is a black sign with the words 'Thank YOU' in white. Behind the sign are two black mugs with 'POLICE' written on them. The basket is decorated with blue and white shredded paper and a large blue ribbon bow on the right side. A flashlight is also lying on the surface in front of the basket.

Adverse Impact and Test Validation Dan Biddle, 2017-05-15 Adverse impact analyses and test validation promote social justice and equity. Employers who unknowingly use invalid tests or recruitment procedures that have an adverse impact are reducing minority and/or female representation in their workforce unfairly screening out qualified workers and worst of all just plain discriminating. Dan Biddle's *Adverse Impact and Test Validation* provides you with analyses that allow you to identify which of your selection procedures have adverse impact. The validation steps will help you decide whether to keep the selection procedure because it's valid, change it, or stop using it altogether. This second edition contains new material on using multiple regression to evaluate pay practices and provides step-by-step instructions for using SPSS or Excel for evaluating your company's pay practices for possible inequities. New content on how to define Internet applicants and set up defensible Basic Qualifications (BQs) for online recruiting will help employers ensure compliance with EEO regulations and screen in qualified applicants. Specific guidelines for developing and validating written job knowledge tests such as those used for police and fire promotional testing have also been included in this new edition. The downloadable resources include tools which may be used on a trial evaluation basis describing several of the functions described in the book including *Adverse Impact Toolkit*, *Test Validation and Analysis Program*, *TVAP Guidelines*, *Oriented Job Analysis*, *GOJA Manual*, and *Content Validity Checklists*. This highly pragmatic guide goes beyond the concepts, theories, and ideas behind adverse impact and test validation. It not only explains what to do but crucially also shows you how to do it. The second edition has been expanded to include two brand new chapters with a new Appendix and comes with new editions of the accompanying software. As a means of protecting your organization from litigation, damage to employee relations, and to your corporate reputation, *Adverse Impact and Test Validation* is a must-have purchase for human resource professionals, testing, and recruitment specialists.

Police Assessment Testing John L. Coleman, 2010 Assessment centers continue to be the most accurate and concise testing procedures available for determining the candidate that is better suited for a position and/or advancement. This fourth edition of *Police Assessment Testing* represents a significant updating of many of the chapters from the previous edition. In terms of organization and topics, this edition is almost identical to the earlier versions with the exception of an additional chapter containing practice exercises for a police assessment center that will benefit a candidate's awareness and application. *Traditional managerial police* City Documents Providence (R.I.), 1878

this lush epic story of a woman who follows her love to Paris only to find herself marooned pregnant and penniless Set around France s Second Empire where absinth prostitution vast wealth and cataclysmic social upheaval abound this novel delicately explores the contrary requirements of a woman s survival Capitalism by Gaslight Brian P. Luskey, Wendy A. Woloson, 2015-02-02 While elite merchants financiers shopkeepers and customers were the most visible producers consumers and distributors of goods and capital in the nineteenth century they were certainly not alone in shaping the economy Lurking in the shadows of capitalism s past are those who made markets by navigating a range of new financial instruments information systems and modes of transactions prostitutes dealers in used goods mock auctioneers illegal slavers traffickers in stolen horses emigrant runners pilfering dock workers and other ordinary people who through their transactions and lives helped to make capitalism as much as it made them Capitalism by Gaslight illuminates American economic history by emphasizing the significance of these markets and the cultural debates they provoked These essays reveal that the rules of economic engagement were still being established in the nineteenth century delineations between legal and illegal moral and immoral acceptable and unsuitable were far from clear The contributors examine the fluid mobility and unstable value of people and goods the shifting geographies and structures of commercial institutions the blurred boundaries between legitimate and illegitimate economic activity and the daily lives of men and women who participated creatively and often subversively in American commerce With subjects ranging from women s studies and African American history to material and consumer culture this compelling volume illustrates that when hidden forms of commerce are brought to light they can become flashpoints revealing the tensions fissures and inequities inherent in capitalism itself Contributors Paul Erickson Robert J Gamble Ellen Gruber Garvey Corey Goetsch Joshua R Greenberg Katie M Hemphill Craig B Hollander Brian P Luskey Will B Mackintosh Adam Mendelsohn Brendan P O Malley Michael D Thompson Wendy A Woloson *Working on the Dock of the Bay* Michael D. Thompson, 2015-04-15 An examination of the role and struggles of dockworkers enslaved and free in Charleston between the American Revolution and the Civil War Working on the Dock of the Bay explores the history of waterfront labor and laborers black and white enslaved and free native and immigrant in Charleston South Carolina between the American Revolution and Civil War Michael D Thompson explains how a predominantly enslaved workforce laid the groundwork for the creation of a robust and effectual association of dockworkers most of whom were black shortly after emancipation In revealing these wharf laborers experiences Thompson s book contextualizes the struggles of contemporary southern working people Like their postbellum and present day counterparts stevedores and draymen laboring on the wharves and levees of antebellum cities whether in Charleston or New Orleans New York or Boston or elsewhere in the Atlantic World were indispensable to the flow of commodities into and out of these ports Despite their large numbers and the key role that waterfront workers played in these cities premechanized labor intensive commercial economies too little is known about who these laborers were and the work they performed Though scholars have explored the history of

dockworkers in ports throughout the world they have given little attention to waterfront laborers and dock work in the pre Civil War American South or in any slave society Aiming to remedy that deficiency Thompson examines the complicated dynamics of race class and labor relations through the street level experiences and perspectives of workingmen and sometimes workingwomen Using this workers eye view of crucial events and developments Working on the Dock of the Bay relocates waterfront workers and their activities from the margins of the past to the center of a new narrative reframing their role from observers to critical actors in nineteenth century American history Organized topically this study is rooted in primary source evidence including census tax court and death records city directories and ordinances state statutes wills account books newspapers diaries letters and medical journals
