Williams, 2023-04-28 In the West many Christians are deconstructing and or doubting their faith As a result some people seeking to follow Jesus have become disillusioned with prayer perhaps even skeptical about it And yet there is still a great desire and longing for connection with God What is needed then is a reconstructed account of prayer one that is theologically robust pastorally honest and spiritually wise Andrew Ray Williams seeks to provide such an account by providing meditations on childlike prayers in hopes that it might open new ways of understanding specific issues related to Christian faith

De Silva, 2021-03-23 An abridged and revised version of Bruce Waltke s magisterial two volume NICOT commentary on the book of Proverbs Since 2004 Bruce Waltke s magisterial two volume NICOT commentary on the book of Proverbs has been recognized as a definitive exegesis of the Hebrew text groundbreaking in its illuminating analysis that the authors and redactors of Proverbs had organized their material into discernible clusters and groupings Waltke and Ivan De Silva here offer an abridged and revised version of the preeminent commentary which is more accessible to students pastors and Bible readers in general In place of a technical analysis of the Hebrew text Waltke and De Silva interpret the translated text while also including their own theological reflections and personal anecdotes where appropriate A topical index is added to help expositors with a book that is difficult to preach or teach verse by verse At its heart this shorter commentary on Proverbs preserves the exegetical depth erudition and poetic insight of Waltke s original and maintains the core conviction that the ancient wisdom of Proverbs holds profound ongoing relevance for Christian faith and life today      Parents Matter Regina M.
