Margins

Margins are the borders around the page. They should be 1 inch on all sides (top, bottom, left, right).

Alignment

Alignment refers to how the text is arranged across the page. The document text should be flush left, and the right margin should appear jagged (unjustified).

Font Size and Type

The font size and type are determined by the professor, but the preferred settings are Times New Roman 12-point font.

Line Spacing

The whole document requires double spacing on all pages, including the heading, body, and works cited. Do not have extra space between paragraphs; refer to paragraph settings.

Paragraph Indentation

Use the TAB key to indent ½ inch for the first line of every new paragraph.

Header

Contains your last name and page number in the top right corner.

Heading

Your name, your professor's name, the course name and number (ex. ENGL 1010), and the date (day month year) should be on the left margin. Each element is on its own line.

Title

Your paper should have an original title centered on the line immediately after the heading and right before the first paragraph.
