Kennedy Library,1993 If We Were Kin Lisa Beard,2023 In June 1973 amid ideological rifts in the U S gay liberation movement thousands of people gathered in New York City s Washington Square Park to commemorate the fourth anniversary of the Stonewall Rebellion Partway through the rally Street Transvestite Action Revolutionaries STAR co founder Sylvia Rivera fought her way to the stage to address the predominantly white middle class lesbian and gay crowd Over the din of their boos and jeers Rivera reprimanded the crowd for failing in their responsibilities to their gay brothers and sisters in jail detailed the sacrifices she had made for the movement and called them into the politics of STAR The people who are trying to do something for all of us and not men and women that belong to a white middle class white club And that is what you all belong to Rivera s appeal thus worked through a push pull of distance and belonging shaming the movement for its assimilatory turn while invoking forms of kinship and calling her listeners into an expansive multi issue liberation politics How does a sense of intimacy call people into political community If We Were Kin is about the we of politics how that we is made fought over and remade and how these struggles lie at the very core of questions about power and political change Across a range of sites in racial justice and queer trans liberation movements from speeches by James Baldwin and Sylvia Rivera in the 1960s and 1970s to contemporary immigrant justice campaigns by the antiracist LGBTQ organization Southerners on New Ground SONG Lisa Beard traces a distinct lineage of appeals that challenge atomized and hierarchical racial formations in the United States and advance powerful visions of political relationships rooted in mutuality and shared freedom In plumbing the deeper registers of identificatory appeals Beard transforms understandings of identity solidarity political confrontation and apparent loss failure as points of possibility If We Were Kin offers an innovative account of racial politics and political theory rooted in Black Latinx queer and trans activism in twentieth and twenty first century America

For nearly thirty years Greil Marcus has written a remarkable column called Real Life Rock Top Ten. It has been a laboratory where he has fearlessly explored and wittily dissected an enormous variety of cultural artifacts from songs to books to movies to advertisements. Taken together his musings, reflections, and sallies amount to a subtle and implicit theory of how cultural objects fall through time and circumstance and often deliver unintended consequences both in the present and in the future. Real Life Rock reveals the critic in full: direct, erudite, funny, fierce, vivid, uninhibited, and possessing an unerring instinct for art and fraud. The result is an indispensable volume packed with startling arguments and casual brilliance.

Catalog of Copyright Entries, Third Series, 1969 *Icon, Libertine, Leader* Mark White, 2024-11-14

This new biography of JFK offers a comprehensive analysis of the man, the leader, and the cultural icon. Mark White, the leading authority in Britain on JFK, draws on more than 30 years of research to provide a nuanced portrait of one of the most iconic figures in American and world history. John F. Kennedy was a president like no other, with a movie star's public image and an extraordinary private life. He was no less remarkable politically, with his achievements including the resolution of the 1961 Berlin crisis and the Cuban missile crisis, the Nuclear Test Ban Treaty, and a strong commitment to civil rights. This book provides what no previous biography has: an in-depth analysis of not only JFK's political life, particularly his record as a policymaker in the White House, but also his private life, his role as a cultural icon, and what might have happened to a Kennedy presidency had he not been assassinated. This sophisticated, multi-dimensional biography sheds new light on JFK's life and legacy and makes a compelling case for why he was the finest president of his generation.
