The Food Network Recipe Emily L. Newman, Emily Witsell, 2021-04-06 When the Television Food Network launched in 1993 its programming was conceived as educational it would teach people how to cook well with side trips into the economics of food and healthy living Today however the network is primarily known for splashy celebrity chefs and spirited competition shows These new essays explore how the Food Network came to be known for consistently providing comforting programming that offers an escape from reality where the storyline is just as important as the food that is being created It dissects some of the biggest personalities that emerged from the Food Network itself such as Guy Fieri and offers a critical examination of a variety of chefs feminisms and the complicated nature of success Some writers posit that the Food Network is creating an engaging important dialogue about modes of instruction and education and others analyze how the Food Network presents locality and place through the sharing of food culture with the viewing public This book will bring together these threads as it explores the rise development and unique adaptability of the Food Network

Food Blogs, Postfeminism, and the Communication of Expertise Alane L. Presswood, 2019-12-03 Food Blogs Postfeminism and the Communication of Expertise Digital Domesticity examines how and why women use blogs to build successful digital brands in the arena of domestic food preparation purchase and consumption Food blogging is big business and cooking dinner has transformed from domestic drudgery into creative personal expression What impact is all this discourse about food cooking and eating having on the women who create and consume these conversations Alane L Presswood examines how and why women use blogs to build successful digital brands in the arena of domestic food preparation purchase and consumption The relationships between individual brands reader communities and sociocultural trends are clarified via a systematic exploration of the strategies employed to create bonded affective relationships on social media platforms These food bloggers and their audiences illustrate how the capabilities of networked digital platforms both enable and constrain women as public communicators in ways that were impossible in previous media forms and how women relate to domesticity in a postfeminist American media culture Scholars of communication media studies gender studies and food studies will find this book particularly useful

Season to Taste Caroline J. Smith, 2023-05-18 2024 Honorable Mention Recipient for the Emily Toth Award for the Best Single Work by One or More Authors from the Popular Culture Association Between 2000 and 2010 many contemporary US American women writers were returning to the private space of the kitchen writing about their experiences in that space and then publishing their memoirs for the larger public to consume *Season to Taste* Rewriting Kitchen Space in Contemporary Women's Food Memoirs explores women's food memoirs with recipes in order to consider the ways in which these women are rewriting this kitchen space and renegotiating their relationships with food Caroline J Smith begins the book with a historical overview of how the space of the kitchen and the expectations of women associated with it have shifted

considerably since the 1960s Better Homes and Gardens as well as the discourse of the second wave feminist movement tended to depict the space as a place of imprisonment The contemporary popular writers examined in Season to Taste such as Ruth Reichl Kim Sun e Jocelyn Delk Adams Julie Powell and Molly Wizenberg respond to this characterization by instead presenting the kitchen as a place of transformation In their memoirs and recipes these authors reinterpret their roles within the private sphere of the home as well as the public sphere of the world of publishing whether print or digital publication The authors examined here explode the divide of private feminine and public masculine in both content and form and complicate the genres of recipe writing diary writing and memoir These women writers through the act of preparing and consuming food encourage readers to reconsider the changing gender politics of the kitchen [Eat Sanely](#) Terese Katz,2011-04-01

Stand Out Dorie Clark,2024-05-14 Standing out is no longer optional Too many people believe that if they keep their heads down and work hard they ll be recognized on the merits of their work But that s simply not true anymore Safe jobs disappear daily and the clamor of everyday life drowns out ordinary contributions To make a name for yourself to create true job security and to make a difference in the world you have to share your unique perspective and inspire others to take action But in a noisy world where it seems everything s been said and shouted from the rooftops how can your ideas stand out Fortunately you don t have to be a genius or a worldwide superstar to make an impact Drawing on interviews with more than fifty thought leaders in fields ranging from business to genomics to urban planning Dorie Clark shows how these masters achieved success and how anyone with hard work can do the same Whether it s learning to ask the right questions developing and building on an expert niche or combining disparate fields to get a new perspective Clark outlines ways to develop the ideas that set you apart Of course having a breakthrough insight is only half the battle If you really want to share your ideas you have to find a way to build an audience communicate your message and inspire others to embrace your vision Starting small is fine Clark provides a step by step guide to help you leverage your existing networks attract new people to your cause and ultimately build a community around your ideas Featuring vivid examples based on interviews with influencers such as Seth Godin David Allen and Daniel Pink Clark shows you how to break through and ensure that your ideas get noticed Becoming a thought leader in your company or in your profession is the ultimate career insurance But even more important it s also a chance to change the world for the better Whatever your cause perspective or point of view the world can t afford for the best ideas to remain buried inside you Whether it s how to improve the educational system or how to make your company more efficient your ideas matter The world needs your insights and it s time to be bold [PC Mag](#) ,2007-11-06 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Guide to Private Manuscript Collections in the North Carolina State Archives** Barbara T. Recipes for Respect Rafia Zafar, 2019-03-15 Food studies once trendy has settled into the public arena In the academy scholarship on food and literary culture constitutes a growing river within literary and cultural studies but writing on African American food and dining remains a tributary Recipes for Respect bridges this gap illuminating the role of foodways in African American culture as well as the contributions of Black cooks and chefs to what has been considered the mainstream Beginning in the early nineteenth century and continuing nearly to the present day African Americans have often been stereotyped as illiterate kitchen geniuses Rafia Zafar addresses this error highlighting the long history of accomplished African Americans within our culinary traditions as well as the literary and entrepreneurial strategies for civil rights and respectability woven into the written records of dining cooking and serving Whether revealed in cookbooks or fiction memoirs or hotel keeping manuals agricultural extension bulletins or library collections foodways knowledge sustained Black strategies for self reliance and dignity the preservation of historical memory and civil rights and social mobility If to follow Mary Douglas's dictum food is a field of action that is a venue for social intimacy exchange or aggression African American writing about foodways constitutes an underappreciated critique of the racialized social and intellectual spaces of the United States

Food and Place Pascale Joassart-Marcelli, Fernando J. Bosco, 2017-12-22 This text provides a comprehensive and critical exploration of food from the unique perspective of place It shows that our experiences with food are deeply influenced by their cultural social economic and political contexts The authors explore a wide range of questions such as Do GMOs threaten rural livelihoods Why don't we eat dogs Does your neighborhood make you fat Do community gardens encourage urban gentrification Can cheese save a local economy Why are gourmet burgers appearing on menus all over the world How do immigrants use food to create a sense of place Does mainstream nutrition stigmatize bodies Is the kitchen an oppressive place Can celebrity chefs change the food system Critically engaged and connected to current activist and academic debates Food and Place will be an essential resource for students across the social sciences
