Gonzales, 1994 Ethnic Families in America Charles H. Mindel, Robert Wesley Habenstein, 1981 This is a book about patterned differences in American families differences based on the national cultural religious and racial identification and membership of groups of people who do not set the dominant style of life or control the privileges and power in any given society These differences are embedded in what are generally known as ethnic groups Ethnicity is usually displayed in the values attitudes lifestyles customs rituals and personality types of individuals who identify with particular ethnic groups Introduction Family Ethnicity Harriette Pipes McAdoo, 1999-04-20 Family ethnicity is the sum total of our ancestry and cultural dimensions how families collectively identify the core of their beings Our ethnicity is fundamental to the all encompassing core of our identity Families differentiate themselves from other groups and form linkages with families that assume similar identifications and provide reference groups for their members Ethnicity involves the unique family customs proverbs and stories that are passed on for generations Almost all of us are from families that are part of ethnicities This new edition provides extensive information about the various cultural elements that different family groups have drawn on in order to exist in the United States today In each chapter the authors are intimately familiar with the particular groups by way of membership in the group or intensive study of the group The eight sections of the book cover Native American Indians Native Hawaiian Mexican American and Spanish African American Muslim American and Asian American families Race and Family Roberta L. Coles, 2016-01-07 The second edition of Race and Family maintains the book s distinctive feature introducing students to key concepts through a structural lens while featuring new material throughout Race and Family focuses on structural factors impacting all families such as demographic economic and historic trends which illuminate the similarities and distinctions among and within racial and ethnic groups After introductions to the

study of race ethnicity and the family the book explores various issues such as family structure divorce non marital births gender roles racial identity formation intergenerational roles grandparenting care of elders and more The book offers specific chapters on racial ethnic groups including African American Asian American Latino American Middle Eastern American and Native American while also discussing white families multiracial families the acculturation process and more Key updates to the second edition include recent census and survey data a new chapter on Middle Eastern Americans new material on multiracial and multicultural families updated resources and more The second edition of *Race and Family* is a comprehensive introduction to race and family through a distinctive structural lens The book provides structural factors cross cultural perspectives and historical overviews that students can use to analyze the whys and ways of family across races and ethnicities A complimentary test bank is available to adopters as a Word document or via the free program Respondus Email textbooks rowman com for further details

Handbook of Marriage and the Family Marvin B. Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p
