Rae Of Sunshine English Edition:

The Thunderbird- english version Luciano Federico,2023-05-02 What would have happened to John Travolta Bill Clinton and Tina Turner if they hadn't become who we all know And why is 1974 a year that unites them all That's what we are about to discover traveling with them back in time aboard a Ford Thunderbird that belonged to JFK and Marilyn Monroe

Muhenda (English version) Wilson Miguel, After the success and also the breaking of the law of the black lives matter movement all blacks around the world were expelled forced to return to Africa creating a political division between blacks and whites But the explosion of global warming and the rupture of the ozone layer grants world dominion and power over the only kingdom on the planet that holds natural resources the kingdom of Muhenda in Africa A place where white people were never welcome However an agent of the intelligence of the whites manages to enter Muhenda The king of Muhenda is murdered and the white man is sentenced to death for the crime and as retaliation all the remaining whites were made slaves Years later a dictator and tyrant empire rises dominating all of Africa inflicting terror oppression inequality and pain Led by the new king of Muhenda and the brother of the deceased the emperor Luther Nankela That situation forces Sowety a young African warrior queen and Selena a young white slave to stand up step up and fight against the new system Two different women two enemy races one almost impossible gold freedom *The Lost Word (English Edition)* Arthur Conan

Doyle,2018-11-17 I stood like a man paralyzed still staring at the ground which I had traversed Then suddenly I saw it There was movement among the bushes at the far end of the clearing which I had just traversed A great dark shadow disengaged itself and hopped out into the clear moonlight I say hopped advisedly for the beast moved like a kangaroo springing along in an erect position upon its powerful hind legs while its front ones were held bent in front of it It was of enormous size and power like an erect elephant but its movements in spite of its bulk were exceedingly alert For a moment as I saw its shape I hoped that it was an iguanodon which I knew to be harmless but ignorant as I was I soon saw that this was a very different creature Instead of the gentle deer shaped head of the great three toed leaf eater this beast had a broad squat toad like face like that which had alarmed us in our camp His ferocious cry and the horrible energy of his pursuit both assured me that this was surely one of the great flesh eating dinosaurs the most terrible beasts which have ever walked this earth As the huge brute loped along it dropped forward upon its fore paws and brought its nose to the ground every twenty yards or so It was smelling out my trail Sometimes for an instant it was at fault Then it would catch it up again and come bounding swiftly along the path I had taken The Lost World by Arthur Conan Doyle was first published in 1912 The story about an expedition to the Amazon basin where dinosaurs and other extinct creatures still survive soon became a bestseller The character of Professor Challenger was introduced in The Lost World **Naytnal - The awakening (english version)** Elias J.
