

The following instructional plan is part of a GoOSE collection of Unit Frameworks, Performance Tasks, examples of Student Work, and Teacher Commentary for the Sixth Grade Social Studies Course.

Sixth Grade Unit 8 – “Canada Today”

Elaborated Unit Focus

This unit will focus on modern Canada. **Conflict and change** will be studied as students analyze Quebec’s independence movement. The theme of **culture** will be examined as students describe the influence of the French and English on the languages and religions of Canada. The theme of **government** will be a unit focus as students determine the system of government found in Canada.

Standards/Elements

SS6EH4 The student will describe the impact of European contact on Canada.

- Describe the influence of the French and the English on the language and religion of Canada.
- Explain how Canada became an independent nation.

SS6EH5 The student will analyze important contemporary issues in Canada.

- Describe Quebec’s independence movement.

SS6CG1 The student will compare and contrast various forms of government.

- Describe the ways government systems distribute power: unitary, confederation, and federal.
- Explain how governments determine citizen participation: autocratic, oligarchic, and democratic.
- Describe the two predominant forms of democratic governments: parliamentary and presidential.

SS6CG3 The student will explain the structure of the national government of Canada.

- Describe the structure of the Canadian government as a constitutional monarchy, a parliamentary democracy, and a federation, distinguishing the role of the citizen in terms of voting and personal freedoms.

Enduring Understandings/Essential Questions

The student will understand that when there is conflict between or within societies, change is the result.

- Why does Quebec want independence?
- What conflicts have occurred because of Quebec’s independence movement?
- Why hasn’t Quebec been granted independence?
- What changes in Canada could occur if Quebec is granted independence?

The student will understand that as a society increases in complexity and interacts with other societies, the complexity of the government also increases.

- What type of government system exists in Canada?
- Who is the leader of Canada and what is his or her title?
- What is the role of the legislature?
- What role does the citizen have as a participant in Canada’s government?
