

Rainbow Bridge

There is a bridge connecting Heaven and Earth.
It's called the Rainbow Bridge because of its many
colors. Just this side of the Rainbow Bridge there
is a land of hills, meadows and valleys with
lush green grass.

When a beloved pet dies, he goes to this place
where there is food and water and warm spring weather.

The old and frail animals are young again.
Those who are maimed are made whole again.
They play all day with each other.
There is only one thing missing.
They are not with their special person
who loved them on earth.

So each day they run and play until
the day comes when one suddenly stops playing
and looks up! The nose twitches! The ears are up!
The eyes are staring! And this one suddenly runs
from the group! You have been seen and when you
and your special friend meet, you take them
in your arms and embrace. Your face is kissed
again and again and you look once more
into the eyes of your trusting pet.
Then you cross the Rainbow Bridge together,
never again to be separated.
