Christianity Today, 1988 **The Publishers Weekly**, 2003 *World Christian Trends Ad30-ad2200 (hb)*, 2001 *Forgotten Women of the Holy Bible* Gerald Crispin, 2019-08-08 The Bible has been written by sixty six male prophets kings pharaohs and New Testament authors The Bible has been written by men for men and about men like Noah Abraham Isaac Jacob David Jesus and His Apostles Consequently the Bible is rather male oriented and one can see this in Apostle Paul who says women must not teach to be self controlled and pure to be busy at home to be kind and to be subject to their husbands so that no one will malign the word of God Titus 2:5 NIV *Forgotten Women of the Holy Bible* illuminates several outstanding women in Holy Scripture The author's timeless effort reveals meticulous research and fresh insights into thirty six important women who have been disregarded minimized and even forgotten in Holy Scripture Some of these remarkable women are Priscilla Tabitha Phoebe Joana Lydia Prophetess Miriam Judge Deborah Queen Esther Prophetess Anna and a female apostle named Junia who was in prison with Paul This treasure of chronicles on special women also includes Mother Mary her sister wife of Clopas and Mary Magdalene who stood at the cross with Jesus while the apostles were in hiding After the crucifixion Mary Magdalene and the other Mary bring spices to anoint the body of Jesus When the tomb is found empty these two women run to tell the apostles and the Risen Lord suddenly appears to them on the road The entire event is recorded in Matthew 28:1-10 NIV where the Risen Lord appears to at least two women perhaps more than two Suddenly Jesus met them Greetings he said They came to him clasped his feet and worshiped him Then Jesus said to them Do not be afraid Go and tell my brothers to go to Galilee there they will see me This Holy Scripture is one of many found in the Bible which have been ignored disregarded or totally lost to memory This Bible Study would benefit Christian pastors teachers lay students men and women alike

Understanding Matthew - Using Semitic Bible Study Methods Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua s day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture s meaning is as deep as God and God is infinite **Nelson's Illustrated Bible Dictionary** Ronald F. The Problem of Jesus Mark Clark, 2021-02-23 The modern world portrays Jesus in many ways for many reasons Some are well intentioned but misguided others are aberrations still others have some but not all the essential keys In order to see and understand the real

Jesus and what the Gospels say about him we have to see him in his first century context and work out from there Here is a portrait of Jesus that in some ways will affirm what traditional Christianity has always understood about him and in other ways upend it altogether Award winning author Mark Clark delves into the person and work of Jesus of Nazareth his parables and miracles his controversial challenge of discipleship and obedience his seemingly insane claim to be God and what his death and resurrection if they did happen actually mean Mark is unafraid to tackle questions such as What would first century Jews have immediately recognized about Jesus that modern Christians often miss What do the Gospels accomplish and can we trust them Is there a problem with science and Jesus miracles What are the barriers stopping people from following him And what is Christianity in light of an accurate portrayal of the object of its faith The Problem of Jesus engages with ideas from all realms of study from Malcolm Gladwell and Jordan Peterson to historians scientists and philosophers from N T Wright to C S Lewis from Star Wars to Pretty Woman all unite to form a breathtaking and accurate portrait of Jesus the man the message and the mission who forever altered the course of human history As a former atheist I would call this book philosophical dynamite The Problem of Jesus will take your thinking about Jesus and your relationship with him to whole new levels Pastor and author Ray Johnston
