Darling, 1964 **School Life**, 1949 [American Public School Librarianship](#) Wayne A. Wiegand, 2021-10-12 The first comprehensive history of American public school librarianship Can I get a library pass Over the past 120 years millions of American K-12 public school students have asked that question Still we know little about the history of public school libraries which over the decades were pulled together and managed by hundreds of thousands of school librarians In *American Public School Librarianship* Wayne A. Wiegand recounts the unseen history of both school libraries and their librarians Why Wiegand asks did school librarianship turn out the way it did And what can its history tell us about limitations and opportunities in the coming decades of the twenty-first century Addressing issues of race social class gender and sexual orientation among others as they affected American public school librarianship throughout its history Wiegand explores how libraries were transformed by the Great Depression the civil rights era Lyndon Johnson's Great Society programs and more

recent legislation like No Child Left Behind Common Core and the Every Student Succeeds Act Wiegand touches on censorship the impact of school segregation on school libraries disparities in funding that fall along lines of race and class the development of school librarianship as a profession the history of organizations like the American Association for School Librarians and how emerging technologies affected school librarianship Wiegand clarifies the historical role of the school librarian as an opponent of censorship and defender of intellectual freedom He also analyzes the politics of a female dominated school library profession identifies and evaluates the profession's major players and their battles often against patriarchy and challenges the priorities of librarianship's current agendas particularly regarding the role of reading in the everyday lives of children and young adults Filling a huge void in the history of education American Public School Librarianship provides essential background information to members of the nation's school library and educational communities who are charged with supervising and managing America's 80 000 public school libraries *Minnesota School Library List*, 1912 Standard Catalog for High School Libraries, 1929 The 1st ed accompanied by a list of Library of Congress card numbers for books except fiction pamphlets etc which are included in the 1st ed and its supplement 1926-29

A List of Books for High School Libraries in Indiana Public Library Commission of Indiana, 1920 *Conducting Action Research to Evaluate Your School Library* Judith Anne Sykes, 2013-05-01 How should teacher librarians or instructional leaders engage in action research to improve their school library and benefit students learning This book provides the answers Teacher librarians need to get directly involved with the research process in the learning commons in order to create actions and strategies that will enhance student learning and benefit their own professional development as well as demonstrate accountability through their action research efforts This book provides practical tips and work spaces for educators at the local state and national levels clearly modeling and explaining the process and the tools for conducting action research in a school library setting that will identify the program's strengths and weaknesses The author coalesces current expert opinions on the topic of action research in the school library environment and highlighting what other teacher librarians in the field have identified as the pros and cons of using the process Readers are directed to focus on mitigating the cons through the use of specific working pages and templates and by initially exploring five favorite links thereby encouraging those who are new to action research to try what might otherwise seem a daunting process School principals K-12 who read this book will be better equipped to support their teacher librarians and teachers in this important professional process **List of Books for Free High School Libraries in the State of Wisconsin**, 1900 **School Librarians and Principals Leading Together** Dianne Oberg, Luisa Marquardt, 2025-09-04 Describes how school librarians and principals can collaborate for the benefit of their students and communities School library professionals around the world understand that the leadership of the school principal impacts the success of the school library *School Librarians and Principals Leading Together* offers a timely collection of research literature addressing the role of the principal in adopting implementing

evaluating and institutionalizing school libraries An international group of contributors makes this a wide ranging and comparative study of the important relationship between principals and librarians in service of student learning and achievement Chapter topics include principals perceptions of the impact of the school library on student academic achievement flexible scheduling school libraries as technology hubs and the ways in which the impact of the library librarian is assessed Chapters travel the world from rural Thailand to New Zealand to China to the United States Anyone interested in better understanding international perspectives and alternative approaches to the partnership between school principals and librarians will greatly appreciate this research **Manual and Course of Study, Elementary Schools** Michigan.
