Charis ,2004 Identity/difference Politics Rita Dhamoon,2009 Theories of liberal multiculturalism have come to dominate debates about identity and difference politics in contemporary western political theory Identity Difference Politics offers a nuanced critique of these debates by switching the focus from culture to power Issues of power are examined through accounts of meaning making those processes through which meanings of difference are produced organized and regulated Other forms of identity difference such as whiteness ableism gender and heteronormativity establish the analytic and normative value of Dhamoon s alternative theoretical framework and reveal that an exclusive preoccupation with culture can dissolve into essentialism which too often provides a rationale for state regulation of groups deemed to be too different
