

Political Science Study Guide Exam 1

CHAPTER ONE

-What is critical thinking?

a kind of thinking in which you question, analyze, interpret, evaluate and make a judgement about what you read, hear, say, or write

-What is political science?

focuses on the theory and practice of government and politics at the local, state, national, and international levels

-What is liberty?

the state of being free within society from oppressive restrictions imposed by authority on one's way of life, behavior, or political views

-What is equality?

the state of being equal, especially in status, rights, and opportunities

-What is democracy?

a system of government by the whole population or all the eligible members of a state, typically through elected representatives

-What is individualism?

a social theory favoring freedom of action for individuals over collective or state control

-What is an authoritarian government?

a government in which one leader or group of people holds absolute power

-What is the free-market system?

an economic system based on supply and demand with little or no government control
