AMERICAN HISTORY

The book cover features a blue sky at the top with five yellow stars. Below the title, the iconic Mount Rushmore faces are depicted, but with modern, realistic human features. From left to right, the faces appear to be those of George Washington, a woman with blonde hair, Thomas Jefferson, and Abraham Lincoln. The mountain is shown in a desert-like setting with some green shrubs at its base.

"I, P. J. O'Rourke, acknowledged Republican, do hereby declare Edward P. Moser's book *The Politically Correct Guide to American History* to be destructive of family values, and I demand that all its federal funding be cut off."

Politically Correct Guide To American History:

Politically Incorrect Guide to American History Thomas E. Woods, 2004-01-04 The problem in America isn't so much what people don't know the problem is what people think they know that just ain't so Thomas E Woods Most Americans trust that their history professors and high school teachers will give students honest and accurate information The Politically Incorrect Guide to American History makes it quite clear that liberal professors have misinformed our children for generations Professor Thomas E Woods Jr takes on the most controversial moments of American history and exposes how history books are merely a series of clichés drafted by academics who are heavily biased against God democracy patriotism capitalism and most American family values Woods reveals the truth behind many of today's prominent myths MYTH The First Amendment prohibits school prayer MYTH The New Deal created great prosperity MYTH What the Supreme Court says goes From the real American revolutionaries to the reality of labor unions The Politically Incorrect Guide to American History is all you need for the truth about America objective and unvarnished

The Politically Correct Guide to American History Edward P. Moser, 1996 This amusing book examines the famous events and figures of American history through the cracked yet increasingly popular lens of political correctness From the voyage of Columbus to the taming of the Wild West accounts of the American past are shrewdly recast according to trendy notions regarding gender issues the environment and other current concerns

Politically Incorrect Guide to Darwinism and Intelligent Design Jonathan Wells, 2006-08-21 Darwin is an emperor who has no clothes but it takes a brave man to say so Jonathan Wells a microbiologist with two Ph.D.s from Berkeley and Yale is that brave man Most textbooks on evolution are written by Darwinists with an ideological axe to grind Brave dissidents qualified scientists who try to teach or write about intelligent design are silenced and sent to the academic gulag But fear not Jonathan Wells is a liberator He unmaskes the truth about Darwinism why it is wrong and what the real evidence is He also supplies a revealing list of Books You're Not Supposed to Read as far as the Darwinists are concerned and puts at your fingertips all the evidence you need to challenge the most closed minded Darwinist

Politically Incorrect Guide to Hunting Frank Miniter, 2007-08-21 Why the Left's anti hunting propaganda is dead wrong Nothing is more hated and more misunderstood by the trendy Left than hunting But now intrepid hunter and pro hunting activist Frank Miniter sets the record straight In The Politically Incorrect Guide to Hunting he details the concrete benefits that hunting provides to all of us even how it helps the environment Speaking with wildlife biologists hunters farmers anti hunters and victims of animal attacks Miniter explains how banning hunting negatively affects wildlife populations and conservation Miniter's fearless politically incorrect take on hunting lays out the facts that liberal environmentalists don't want you to know

33 Questions About American History You're Not Supposed to Ask Thomas E. Woods, Jr., 2007-07-10 Guess what The Indians didn't save the Pilgrims from starvation by teaching them to grow corn Thomas Jefferson thought states rights an idea reviled today were even more important than the Constitution's checks and balances

The Wild West was more peaceful and a lot safer than most modern cities And the biggest scandal of the Clinton years didn't involve an intern in a blue dress Surprised Don't be In America where history is riddled with misrepresentations misunderstandings and flat out lies about the people and events that have shaped the nation there's the history you know and then there's the truth In 33 Questions About American History You're Not Supposed to Ask Thomas E Woods Jr the New York Times bestselling author of *The Politically Incorrect Guide to American History* sets the record straight with a provocative look at the hidden truths about our nation's history the ones that have been buried because they're too politically incorrect to discuss Woods draws on real scholarship as opposed to the myths platitudes and slogans so many other history books are based on to ask and answer tough questions about American history including Did the Founding Fathers support immigration Was the Civil War all about slavery Did the Framers really look to the American Indians as the model for the U.S. political system Was the U.S. Constitution meant to be a living breathing document and does it grant the federal government wide latitude to operate as it pleases Did Bill Clinton actually stop a genocide as we're told You'd never know it from the history that's been handed down to us but the answer to all those questions is no Woods's eye opening exploration reveals how much has been whitewashed from the historical record overlooked and skewed beyond recognition More informative than your last U.S. history class 33 Questions About American History You're Not Supposed to Ask will have you wondering just how much about your nation's past you haven't been told *The Politically Incorrect Guide to Capitalism* Robert P. Murphy, 2007-04-09 An irreverent look at capitalism that exposes common fallacies and offers simple explanations of complex issues related to capitalism and its role in the world's economy *A Patriot's A to Z of America* Edward Moser, 2011-11-09 America is a nation of firsts from its pioneering innovation in technology and science to its politics social affairs and culture But despite its intriguing and unique history many Americans aren't as well versed as they think they are when it comes to knowledge of the monumental events people and ideas that shaped this revolutionary country Chock full of surprising snippets of history you should know about *A Patriot's A to Z of America* Things Every Good American Should Know is the eye opening remedy for every aspiring good American featuring heroic events and creative individuals who surmounted great difficulties to achieve great things going to the moon wiring the planet defeating the Nazis setting up the first large democratic republic and largely banishing starvation overseas achievements of which no other nation can boast Organized from A to Z these exceptional tales are America's to tell and for you to discover **Why American History Is Not What They Say** Jeff Rigenbach, 2009 Americans have been warring with each other for more than a century over the contents of the American history textbooks used in the nation's high schools and colleges Page 4 of cover *The Lost History of the Capitol* Edward P. Moser, 2021-10-01 The Lost History of the Capitol is an account of the many bizarre tragic and violent episodes that have occurred in and around the Capitol Building from the founding of the federal capital city in 1790 up to contemporary times including the events of January 6 2021 In this 230 year span the Senate the House of Representatives and the neighborhoods

nearby have witnessed dozens of high profile scandals trials riots bombings and personal assaults along with some inspiring events as well This is a popular work about the US Capitol Building and its environs Among the many incidents the book chronicles are a duel to the death between congressmen the terror bombings of the Senate the first assassination attempt on a US president moving tributes to war heroes and heroines vicious brawls between senators and congressmen protest marches both uplifting and illicit public hangings near the Capitol steps a gun battle in the House bloody ethnic broils quelled by a famous father and son and the citywide and Capitol Building riots of 2020 21 *Mongrel Nation* Clarence Earl Walker,2009 Lost in the argument over the existence of a sexual relationship between Thomas Jefferson and Sally Hemings are equally urgent questions about a history that is more complex both sexually and socially than most of us realise The author seeks to uncover this complexity as well as the reasons it is so often obscured **A Kids Guide to American History - Volume 1** KidCaps,2013-03-14 This bundle book is a compilation of four of KidCaps top selling history books it is the first in a two part volume The first volume presents the following subjects in an easy to understand format that kids love Jamestown The Continental Convention The Louisiana Purchase The Lewis and Clark Expedition Partisan Sex Fedwa Malti-Douglas,2009 Sex politics and the law characterized the Clinton era which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11 2001 The Monica Lewinsky affair was the climax of the phenomenon and the resulting scandal had far reaching effects Politics became the language and the means for battles over sex Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties Partisan Sex Bodies Politics and the Law in the Clinton Era explores the high cultural anxieties of the left and the masculinity hang ups of the right the exploitation of romance imagery and hot sauce bottles the obsessions with Hillary Clinton s breakfasts and the rise of a society of voyeurs Amazon com Politically Incorrect Guide to the Presidents, Part 1 Larry Schweikart,2017-01-09 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country The Global Investigative Journalism Casebook Mark Hunter,2012 **Transhumanism** David Livingstone,2015-09-02 Transhumanism is a recent movement that extols man s right to shape his own evolution by maximizing the use of scientific technologies to enhance human physical and intellectual potential While the name is new the idea has long been a popular theme of science fiction featured in such films as 2001 A Space Odyssey Blade Runner the Terminator series and more recently The Matrix Limitless Her and Transcendence However as its adherents hint at in their own publications transhumanism is an occult project rooted in Rosicrucianism and Freemasonry and derived from the Kabbalah which asserts that humanity is evolving intellectually towards a point in time when man will become God Modeled on the medieval legend of the Golem and Frankenstein they believe man will be able to create life itself in the form of living machines or artificial intelligence Spearheaded by the Cybernetics Group the project resulted in both the development of the modern computer and MK Ultra the CIA s mind

control program MK Ultra promoted the mind expanding potential of psychedelic drugs to shape the counterculture of the 1960s based on the notion that the shamans of ancient times used psychoactive substances equated with the apple of the Tree of Knowledge And as revealed in the movie Lucy through the use of smart drugs and what transhumanists call mind uploading man will be able to merge with the Internet which is envisioned as the end point of Kabbalistic evolution the formation of a collective consciousness or Global Brain That awaited moment is what Ray Kurzweil a director of engineering at Google refers to as The Singularity By accumulating the total of human knowledge and providing access to every aspect of human activity the Internet will supposedly achieve omniscience becoming the God of occultism or the Masonic All Seeing Eye of the reverse side of the American dollar bill
