get out of her rut When others ask her when she was last really happy she knows it was on that final ill fated vacation with Alex As a result she resolves to persuade her closest friend to spend one more trip with her to lay everything out on the table and make things okay Surprisingly he agrees She now has a week to get things in order If she could just get over the one major fact that has always lurked in the background of their seemingly ideal relationship What s the worst that might happen
