Hodgetts, 2013-10-02 *Organizational Behavior Theory and Practice* covers the concepts of organizational behavior The book discusses the foundations of modern organizational behavior and the individual or group behavior in organizations The text then describes organizational structure and the ways in which individuals groups and the structure all come together in an organizational setting In this part of the book major consideration is given to basic factors in organizational design contingency factors in organizational design and job design The organizational processes used in bringing together the individual the group and the structure are also considered The book further tackles the ways in which organizations deal with behavioral problems such as conflict and the fears that often accompany change Behavioral psychologists and students taking behavioral courses in management will find the text useful      *Organizational Behavior 2* John B. Miner, 2015-06-01 This comprehensive text provides a detailed review and analysis of the building block theories in the macro organizational behavior field John Miner has identified the key theories that any student or scholar needs to understand to be considered literate in the discipline Each chapter includes the background of the theorist represented the context in which the theory arose the initial and subsequent theoretical statements research on the theory by the theory's author and others including meta analysis and reviews and practical applications Special features including boxed summaries of each theory at the beginning of each chapter two introductory chapters on the scientific method and the development of knowledge and detailed comprehensive references help make this text especially useful for every student and scholar in the field

**Organizational Behavior** John B. Miner, 2007 This comprehensive text provides a detailed review and analysis of the building block theories in Organizational Behavior Expanding on his previous work in the field John Miner has identified the key theories that every student or scholar needs to understand to be considered literate in the discipline      Organizational Behavior Ning Hou, James A. Tan, Gustavo Valdez Paez, 2023-08-01 This book provides guidelines that students and

professionals can relate to pointing to relevant cases and methods At the MBA Level students have proven interested and seek further exploration of the concepts learned through college and their personal experiences in the field As organizations become more diverse there is a need to discuss and reference updated academic research on all seven major OB topics Individual differences motivation teams decision making communication and conflict leadership and organizational processes The book incorporates the post pandemic perspectives on each topic Example topics include personal value changes chapter 2 challenges in motivation chapter 3 virtual teams chapter 4 decision making behavior forces during pandemic chapter 5 zoom communication fatigue chapter 6 leading in time of crises chapter 7 and organizational change chapter 8 This MBA guidebook will help students navigate the rapidly changing work landscape by tapping into some of the fundamental aspects of human behavior allowing them to approach diverse human interactions from a more personal perspective

Organizational Behavior Michael A. Hitt,C. Chet Miller,Adrienne Colella,Maria Triana,2017-12-11 People processes and technology These are the three major drivers of business achievement The best leaders inherently understand that great companies start with great people This is as true now as it was during the beginning of the industrial revolution and understanding and staying current on the latest organizational behavior research and best practices paves the way for managerial success In this updated edition of Organizational Behavior theory new research and real world case studies are combined in an engaging manner to blend together the critical concepts and skills needed to successfully manage others and build a strong organization across all levels of a company Featuring an in depth view of the process and practice of managing individuals teams and entire organizations the text provides a solid foundation for students and future managers

Organizational Behavior Stephen P. Robbins,Tim Judge,2009 Robbins Judge provide the research you want in the language your students understand accompanied with the best selling self assessment software SAL Some topics include management functions the social sciences helping employees balance work and other responsibilities improving people skills improving customer service motivational concepts communication power and politics conflict and negotiation culture and stress management Globally accepted and written by one of the most foremost authors in the field this is a necessary read for all managers human resource workers and anyone needing to understand and improve their people skills Organizational Behavior Jerald Greenberg,2013-03-07 As scientists toil in the fields of their disciplines they rarely enjoy opportunities to step back from their work and evaluate where their efforts have taken them Assessing a field s scientific progress however is critical if it is to have any hope of making meaningful advances The time has come for a systematic self examination of the state of the field of organizational behavior Where has it been Where is it now And where is it going The present book poses these questions to raise the self consciousness of organizational scholars causing them to question the field s values and its worth as a scientific and practical endeavor Such a critical self assessment of the state of organizational behavior is absolutely essential if the field is to prosper and make meaningful advances to behavioral science and to the welfare of

individuals and society This volume is a collection of essays by the field's most highly regarded scholars experts who have contributed widely to the field and who were invited to share their thoughts about its past present and future By presenting their ideas about the state of organizational behavior the discipline as a whole is invited to engage in critical self reflection No other book serves this function
