Sample Professional Development Goals For Teachers:

Targets for Teachers Judy K. Werder Sargent, Ann E. Smejkal, 2000 Handbook of Research on the Educator Continuum and Development of Teachers Zugelder, Bryan S., L'Esperance, Mark, 2022-06-24 In light of recent sociological events and the COVID 19 pandemic education has undergone an incredible change in both policy and delivery As a result many educators have sought different career paths It is essential to maintain a concentrated effort to retain educators however recruiting teachers into the profession is only one area of focus there must be intentional support for teacher development along the educator continuum in order to sustain the profession through institutional struggles The Handbook of Research on the Educator Continuum and Development of Teachers expands on the body of research related to the educator continuum with a holistic view of teacher development This book combines theory concepts and research studies that pinpoint facets of the educator continuum providing researchers with scholarly contributions that advance the profession Covering topics such as instructional coaching special educator career development and teacher retention this major reference work is a valuable resource for educational faculty and administration teacher colleges educators of K 12 and higher education pre service teachers government officials teacher education administrators libraries researchers and academicians **The Survival Kit for the Elementary School Principal** Abby Barry Bergman, Judy Powers, Michael L. Pullen, 2010-02-26 For the new and veteran elementary school principal here is a unique survival kit packed with tested advice practical guidelines and ready to use materials for all aspects of your job From the perspective of an author with twenty five years experience this book offers techniques such as creating a school vision building and sustaining morale utilizing technology and long term strategic school planning The included companion CD ROM serves as the perfect enhancement to this book This time saving device contains all of the book's forms checklists and letters for easy print out and use *JSL Vol 28-N2 JOURNAL OF SCHOOL LEADERSHIP*, 2018-03-06 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement **The Case for Commitment to Teacher Growth** Richard J. Stiggins, Daniel L. Duke, 1988-04-20 Most evaluations of teacher performance are brief superficial pro forma affairs involving a few moments of classroom observation every year or two followed by the completion of required evaluation forms Not surprisingly much of what has been written about teacher evaluation over the past decade reflects the dissatisfaction of teachers the frustration of administrators and the confusion of all parties as to the proper

purposes for and methods of teacher evaluation In this long awaited book Richard J Stiggins and Daniel L Duke approach teacher evaluation from a positive perspective They present the results of three unique studies from over a three year period designed to uncover the inherent problems in current evaluation practices and find potential solutions to those problems Relying on ethnographic case study methodology Study One focuses on the procedures and concerns in the teacher evaluation systems of four school districts uncovering barriers to teacher growth Study Two also relies on case study methodology to highlight the keys to success for a few teachers who experienced significant professional growth as a result of a good quality evaluation event Study Three uses an instrument the Teacher Evaluation Profile to explore and analyze the evaluation experiences of over 400 teachers The result is a book that gives a clear insight into the important attributes of positive growth producing evaluation events Implications of these studies for future teacher evaluation programs in terms of research policy and practice are also included in this valuable resource book The topic is very timely The significance if this work is that the effort begins linking staff development participation to teacher evaluation
