- #8: Beyond what has already been shared in your application, what do you believe makes you stand out as a strong candidate for admissions to the University of California?

How to Tell the UC Essay Prompts Apart

To help tell the UC personal statement prompts apart, sort them into big-picture categories, so when you're brainstorming ideas you can see where your event or life experience would fit.

- **Topics 1 and 7** are about your engagement with the people, things, and ideas around you. Consider the impact of the outside world on you and how you handled that impact.
- **Topics 2 and 6** are about your inner self, what defines you, and what makes you the person that you are. Consider your interior makeup, the characteristics of the inner you.
- **Topics 3, 4, 5, and 8** are about your achievements. Consider what you've accomplished in life and what you are proud of doing.

These very broad categories will help when you're brainstorming ideas and life experiences to write about for your essay. Of course, it's true that many of the stories you think of can be shaped to fit each of these prompts. **Still, think about what the experience most reveals about you.**

If it's an experience that shows how you have handled the people and places around you, it'll work better for questions in the first group. If it's a description of how you express yourself, it's a good match for questions in group two. If it's an experience that tells how you acted or what you did, it's probably a better fit for questions in group three.
