

# Work and Energy

## Before You Read

*Before you read the chapter, respond to these statements.*

1. Write an **A** if you agree with the statement.
2. Write a **D** if you disagree with the statement.

| Before You Read | Work and Machines                                                          |
|-----------------|----------------------------------------------------------------------------|
|                 | • Holding a heavy object motionless involves a lot of work.                |
|                 | • Energy is lost when an object is motionless.                             |
|                 | • A machine is a device that creates energy.                               |
|                 | • A light bulb transforms electrical energy into light and thermal energy. |

### **FOLDABLES** Study Organizer
