

CHAPTER
8**Section 3****SECTION QUIZ** *Segregation and Discrimination*

A. Terms and Names Write the letter of the term or name that matches each description. Not all terms will be used.

- | | | | |
|----------------|------------------|------------------------------|-----------------------------------|
| a. poll tax | d. literacy test | g. Jim Crow laws | j. Booker T. Washington |
| b. lynching | e. Ida B. Wells | h. grandfather clause | k. <i>United States v. Plessy</i> |
| c. segregation | f. debt peonage | i. <i>Plessy v. Ferguson</i> | |

- _____ 1. This term is used to refer to any system of separating people on the basis of race.
- _____ 2. This African-American journalist began crusading for racial justice after the lynching of three friends.
- _____ 3. These laws were passed in the South to prevent white and black people from intermingling and to prevent blacks from achieving equality.
- _____ 4. This had to be paid to gain access to the voting booth in many Southern states. It effectively kept both poor blacks and poor whites from voting.
- _____ 5. This was added to the constitutions of several Southern states to enable white people to vote who may have been kept from doing so by other restrictions.
- _____ 6. This was given in the South to African Americans by voter registration officials. Some versions were in foreign languages; others were more difficult than the versions given to white voters.
- _____ 7. This is a system of involuntary labor. After slavery was abolished, Mexicans and African Americans living in the West and Southwest were often forced into this system.
- _____ 8. This Supreme Court decision ruled that separation of the races in public accommodations was legal and did not violate the Fourteenth Amendment. It established the principle of "separate but equal" that would rule Southern racial relations for almost 60 years.

B. Extended Response Briefly answer the following question on the back of this paper.

Why, at the turn of the century, were white Southerners able to get away with discriminating against African Americans despite all of the laws and amendments that were passed during Reconstruction? Give at least three reasons.

Study Guide for the Psychology of Human Behavior Ann Johnson,Richard A. Kalish,1973 *Study Guide* George

Kosicki,Robert Stewart Smith,Ronald G. Ehrenberg,1993-10 Written for undergraduate labor economics courses this text

draws on both current and classic research and uses policy examples and case studies to illustrate theory in business

historical and cross cultural contexts This eighth edition has been revised to create a more streamlined text with new

discussion of immigration and child care issues and new boxed examples on applied topics Learning features continued in

this edition include review questions and problems The text can be used with students who do not have an extensive

background in economics The authors are affiliated with the School of Industrial and Labor Relations at Cornell University

Annotation copyrighted by Book News Inc Portland OR **The Imperative of Integration** Elizabeth Anderson,2013-04-21

A powerful new argument for reviving the ideal of racial integration More than forty years have passed since Congress in

response to the Civil Rights Movement enacted sweeping antidiscrimination laws in the Civil Rights Act of 1964 the Voting

Rights Act of 1965 and the Fair Housing Act of 1968 As a signal achievement of that legacy in 2008 Americans elected their

first African American president Some would argue that we have finally arrived at a postracial America but The Imperative of

Integration indicates otherwise Elizabeth Anderson demonstrates that despite progress toward racial equality African

Americans remain disadvantaged on virtually all measures of well being Segregation remains a key cause of these problems

and Anderson skillfully shows why racial integration is needed to address these issues Weaving together extensive social

science findings in economics sociology and psychology with political theory this book provides a compelling argument for

reviving the ideal of racial integration to overcome injustice and inequality and to build a better democracy Considering the

effects of segregation and integration across multiple social arenas Anderson exposes the deficiencies of racial views on both

the right and the left She reveals the limitations of conservative explanations for black disadvantage in terms of cultural

pathology within the black community and explains why color blindness is morally misguided Multicultural celebrations of

group differences are also not enough to solve our racial problems Anderson provides a distinctive rationale for affirmative

action as a tool for promoting integration and explores how integration can be practiced beyond affirmative action Offering

an expansive model for practicing political philosophy in close collaboration with the social sciences this book is a trenchant examination of how racial integration can lead to a more robust and responsive democracy *African American Fraternities and Sororities* Tamara L. Brown, Gregory S. Parks, Clarendia M. Phillips, 2012-02-29 The rich history and social significance of the Divine Nine African American Greek letter organizations is explored in this comprehensive anthology In the long tradition of African American benevolent and secret societies intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members exerting considerable influence in the African American community and being in the forefront of civic action community service and philanthropy Dr Martin Luther King Jr Toni Morrison Arthur Ashe and Sarah Vaughn are just a few of the trailblazing members of these organizations African American Fraternities and Sororities places the history of these organizations in context linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement It explores various cultural aspects of the organizations such as auxiliary groups branding calls and stepping and highlights the unique role of African American sororities [Us History Teachers Guide and Resource/7195-3n27](#) Diane Hart, 1988 *A Guide for Using Roll of Thunder, Hear My Cry in the Classroom* Michael H. Levin, Mildred D. Taylor, 1994 Teaching literature unit based on the popular children s story Roll of thunder hear my cry

Racial Culture Richard T. Ford, 2009-01-10 What is black culture Does it have an essence What do we lose and gain by assuming that it does and by building our laws accordingly This bold and provocative book questions the common presumption of political multiculturalism that social categories such as race ethnicity gender and sexuality are defined by distinctive cultural practices Richard Ford argues against law reform proposals that would attempt to apply civil rights protections to cultural difference Unlike many criticisms of multiculturalism which worry about reverse discrimination or the erosion of core Western cultural values the book s argument is primarily focused on the adverse effects of multicultural rhetoric and multicultural rights on their supposed beneficiaries In clear and compelling prose Ford argues that multicultural accounts of cultural difference do not accurately describe the practices of social groups Instead these accounts are prescriptive they attempt to canonize a narrow parochial and contestable set of ideas about appropriate group culture and to discredit more cosmopolitan lifestyles commitments and values The book argues that far from remedying discrimination and status hierarchy cultural rights share the ideological presuppositions and participate in the discursive and institutional practices of racism sexism and homophobia Ford offers specific examples in support of this thesis in diverse contexts such as employment discrimination affirmative action and transracial adoption This is a major contribution to our understanding of today s politics of race by one of the most distinctive and important young voices in America s legal academy

A Teacher's Guide to Education Law Michael Imber, Tyll van Geel, J.C. Blokhuis, Jonathan Feldman, 2013-10-23 Adapted from its parent volume Education Law 5th Edition this accessible text concisely introduces topics in law that are most relevant to teachers Providing public school teachers with the legal

knowledge necessary to do their jobs A Teacher s Guide to Education Law covers issues of student rights discipline negligence discrimination special education teacher rights hiring and firing contracts unions collective bargaining and tenure Special Features This revised edition includes new content on bullying privacy discrimination school finance and issues relating to Internet and technology as well as updated references and case law throughout To aid comprehension technical terms are carefully explained and summaries of key topics and principles are provided Case law is presented within the context of real world examples making this text accessible to pre service teachers who have little background in law A companion website provides additional resources for students and instructors such as links to full cases and a glossary of key concepts

Australian National Bibliography ,1978 The Watsons Go to Birmingham Novel Units Teacher Guide Lori Mammen,2000 Describes suggested activities to be used in the classroom to accompany the reading of The Watsons go to Birmingham 1963 Handbook of Gender, Work and Organization Emma Jeanes,David Knights,Patricia Yancey Martin,2012-03-02 This work of reference represents a remarkably complete detailed and extensive review of the field of gender work and organization in the second decade of the 21st century Its authors represent eight countries and many disciplines including management sociology political science and gender studies The chapters by top scholars in their areas of expertise offer both reviews and empirical findings and insights and challenges for further work The chapters are organized in five sections Histories and Philosophies Organizing Work and the Gendered Organization Embodiment Globalization and Diversity Theoretical and conceptual developments at the cutting edge of the field are explicated and illustrated by the handbook s authors Methods for conducting research into gender work and organization are reviewed and assessed as well as illustrated in the work of several chapters Efforts to produce greater gender equality in the workplace are covered in nearly every chapter in terms of past successes and failures Military organizations are presented as one of the difficult to change in regards to gender with the result that women are marginalized in practice even when official policies and goals require their full inclusion The role of the body embodiment is emphasized in several chapters with attention both to how organizations discipline bodies and how organizational members use their bodies to gain advantage Particular attention is paid to sexuality in and organizations including sexual harassment policies to alleviate bias and the likelihood that future work will pay more attention to the body s presence and role in work and organizations Many chapters also address change efforts that have been employed by individuals groups and organizations including transnational ones such as the European Union the United Nations and so on In addition to its value for teachers and students within this field it also offers insights that would be of value to policy makers and practitioners who need to reflect on the latest thinking relating to gender at work and in organizations
