 are confronted with a jarring reality that the Left has succeeded in growing the power of the courts Obama has replaced
 roughly 30 percent of the district and appellate judges on the federal benches We are now facing a judicial time bomb the
 likes of which we ve never seen before With the Obergefell v Hodges ruling the courts have usurped the will of the people
 and set a precedent that has become a de facto law of the land In **STOLEN SOVEREIGNTY** Horowitz reveals just how
 disenfranchised voters have become On issue after issue we are witnessing a transformation of our society before our very
 eyes all without the ability to stop it through the political process We are becoming a government not of the people by the
 people for the people but of the elites by the justices and for the few First the courts went after your income Then they went
 after the right to abortion Then the right for men to marry men and women to marry women Next they will go after the right
 to our sovereign borders Where will it end It is the legislative branch that gives the people their voice With a weak congress
 the people will suffer at the hands of a tyrannical few By ceding the power of the purse willfully ignoring executive overreach
 blindly confirming judicial nominees and writing statutes so broadly they transfer full legislative power to the president the
 past few generations of congressmen have helped the executive branch and the courts crush their own power **STOLEN**
SOVEREIGNTY is a book defending sovereignty and society from the courts Horowitz masterfully explains the legal
 foundations of this great nation and how the three branches of government are designed to keep the people free He outlines
 how the recent overreach of the judicial branch has led to the extinguishing of the voice of the people And most important he
 provides solutions as the looming immigration crisis overshadows the political landscape It is no longer sufficient to sneer
 scorn or warn against the judicial tyranny it s time to fight back and implement immediate reforms or we will cease to exist
 as a democratic society and a sovereign nation says Horowitz As we hunger for leaders who will steer the country back on
 the track of liberty and justice for all we must ensure we are never one court decision or one executive order away from
 losing our society sovereignty and government The courts have spoken Now it s time for the American people to reclaim their
