need to resist No I shouted Not not like this You don t have to I let out a gasp as the arms pulled at me roughly pivoting me on the table to give Richard better access to my arms The sudden force yanked my blouse loose from my skirt and I could feel the cool air strike my exposed midriff I considered calling for help A split second later I stopped myself who would hear me And more importantly did I want anyone to hear Did I want someone to come interrupt this encounter with two beautiful powerful men men every last woman in the office would kill for and who were prepared to take me **Club Boss Seduction**
