Seeds for the Soul Brendan McGuire, 2008-04 People today are starving for spiritual nourishment They search for God in the most unusual places in money material goods power and sex to mention but a few Their search requires an interior journey into their own hearts where God alone will speak to them Unfortunately few have any real experience of this gift from God and as a result live partial lives This collection of homilies given by the author in his parish church seeks to show the reader that God is already in their world and they need to look again at the world they live in and recognize his presence
