heart of Descartes philosophy First focusing on *The World and the Discourse on Method* this volume shows that by writing in fable form Descartes allowed his readers to break from Scholastic methods of philosophizing With this fable structure or logic in mind the book reexamines the relationship between analysis synthesis and inexact sciences between metaphysics and ethico political life and between the imagination the will and the passions **El-Hi Textbooks & Serials in Print, 2003**

,2003 *Accelerating the Literacy Performance of Bilingual Students* , **The State of Sovereignty** Peter

Gratton,2012-05-30 Following up on the fables and stories surrounding political sovereignty once theological now often nationalist Peter Gratton s *The State of Sovereignty* takes aim at the central concepts surrounding the post 9 11 political environment Against those content to conceptualize what has been called the sovereign exception Gratton argues that sovereignty underwent profound changes during modernity changes tracked by Rousseau Arendt Foucault Agamben and Derrida Each of these thinkers investigated the fictions and illusions of claims to sovereign omnipotence while outlining what would become the preeminent problems of racism nationalism and biopower Gratton illustrates the principal claims that tie these philosophers together and more importantly what lessons they offer perhaps in spite of themselves for those thinking about the future of politics His innovative readings will open new ground for new and longtime readers of these philosophers alike while confronting how their critiques of sovereignty reshape our conceptions of identity freedom and selfhood The result not only fills a long standing need for an up to date analysis of the concept of sovereignty but is also a tour de force engaging readers in the most important political and philosophical questions today **Leftovers** Ruth

Cruickshank,2020-01-31 The intrinsic ambivalence of eating and drinking often goes unrecognised In *Leftovers* Cruickshank s new theoretical approach reveals how representations of food drink and their consumption proliferate with overlooked figurative psychological ideological and historical interpretative potential Case studies of novels by Robbe Grillet Ernaux Darrieussecq and Houellebecq demonstrate the transferrable potential of re thinking eating and drinking
