Gambling and Gender Deborah K. Phillips,Vicki A. Wilson,2009 There are two distinct strands in the literature on gambling one that focuses on how to play and win the various games of chance and one that focuses on gambling compulsion and addiction Gambling and Gender forges a new direction studying gambling as more communication than compulsion more recreation than deviance more sociology than psychology Within that framework it seeks to explore several aspects of gender How do the gambling behaviors of men and women differ How have women adapted to and or changed the historically male dominance of the gambling arena What gambling activities have women claimed as their own and used to develop uniquely female relationships How have recent

trends in technology and mass media changed the ways in which men and women claim or reject their gender identities The authors use a variety of research strategies including content analysis survey research interviews and participative observation to shed new light on this fascinating subject and to suggest ways to explore it further *Gaming Guide - Gambling in Europe* Nicolae Sfetcu, 2016-11-09 Since the emergence of the internet in the 1990s an increasing number of gambling services have come available on line or through other new remote communications technologies The rapid technological advancements commercial initiatives and market penetration of such commerce have made this sector of the gambling services industries extremely dynamic and potentially transformative in the years ahead Demand for gambling services in the early 21 century and for the past half century in the European Union as well as in most other parts of the world has been and is expanding rapidly for a number of reasons The commercial and government owned gaming industries of the European Union are organized under a wide variety of ownership regimes and market structures Ownership and market structures are affected by numerous factors including Member State laws and regulations restrictions on product types characteristics points of sale availability and marketing effort economies of scale network effects and impacts of new technologies The overall gambling market in Europe is growing both land based and online Lotteries and gambling machines remain the biggest sectors in the overall gambling market While not all EU Member States have a legal definition of the concepts of games of chance and of gambling in most jurisdictions a game of chance is defined as a game that offers an opportunity to compete for prizes where success depends completely or predominantly on coincidence or an unknown future result and cannot be influenced by the player At least one of the players loses his or her stake The first important element characterising a game of chance is that of stake money or monetary value The second essential characteristic of a game of chance is the element of chance Success or loss must depend completely or predominantly on coincidence and not on abilities and knowledge Success is considered to depend in any case on coincidence if the relevant aspect is the occurrence of an uncertain event The section Gambling in Europe includes several independent adaptations of the corresponding European Commission works free to use and freely available via the EU website with European Union and translation of the European Commission works with Nicolae Sfetcu the author of this book Most of the work are published by the European Union during 2004 2008 so it is possible to be outdated *A Girl's Guide to Poker* Amanda Botfeld, 2019-12-09 So you want to play poker Maybe it s the challenge Maybe it s the cash Maybe you re turned on by guys in hoodies and sunglasses Whatever the reason if you re a girl or guy who wants to learn poker then this book is handier than your high school cheat sheet Learn everything from insider poker lingo bluff checkraise snapcall to fancy winning plays with the help of easy to read mini chapters and quizzes Most poker books read like a math textbook This one reads like Cosmo The only poker book that teaches card playing strategy and how to bluff your boyfriend *A Girl s Guide to Poker* will make you the belle of the ball or the cardshark of the casino Amanda Botfeld isn t your average poker player how many hold their cards with a red nail polish

manicure Not enough Nicknamed the Bridget Jones of poker she seeks to turn the tables for women everywhere writing a sassy how to guide so more women can join the game A writer at heart her work has previously been published in the Wall Street Journal Los Angeles Times and Huffington Post *Basics of Winning Poker* Avery Cardoza, In one reading this easy to read guide is the first step to winning money at poker Americas most popular card game You ll learn how to play the most popular variations Texas hold em seven card stud Omaha and draw poker plus basic strategy tips that will allow you to beat your opponents and win money **Poker Games Guide - Texas Hold 'em Poker** Nicolae Sfetcu,2016-11-07 This book is an introduction to the poker game emphasizing on the Texas Hold em Poker the betting structure poker variants poker strategy and specific poker tournaments The popularity of poker mainly the no limit Texas hold em reached an unprecedented peak in the 2000s This poker boom is attributed to several factors the invention of online poker the television broadcast tournaments with miniature cameras revealing the cards the presentation of the online poker sites in television commercials and victory in 2003 of Chris Moneymaker at the World Series of Poker Not only the public can now follow the actions of the tournaments on television turning this game in the sporting spectacle but it can also be played directly from home The spread of tournaments such as the World Series of Poker and the World Poker Tour created a strong following among television program providers by cable or satellite Because of the hype professional players have become celebrities with many fans around the world participating in tournaments in the hope of being confronted with these celebrities Poker is played in many variations but there are three large families They differ firstly by the way of distribution of playing cards Cards can be shared by all players or private for each player They can also be closed visible only by the owner of cards or open visible to all There are also differences in the game base on stakes The winning hands can be high low or both high low In some embodiments where poker is played high and low hands certain conditions are imposed on low hands For example a player s hand can not contain card over eight eight or better or aces can count only as high card deuce to seven Poker is a microcosm of all we admire and disdain about capitalism and democracy It can be rough hewn or polished warm or cold charitable and caring or hard and impersonal It is fickle and elusive but ultimately it is fair and right and just Lou Krieger
