No Peace For Amelia Amelia Pim :

No Peace for Amelia Siobhán Parkinson, 2012-08-29 It's 1916 but Amelia Pim's thoughts are on Frederick Goodbody and not on the war in Europe Then Frederick enlists The pacifist Quaker community is shocked but Amelia is secretly proud of her hero and goes to the quayside to wave him farewell For her friend MaryAnn there are problems too with her brother's involvement in the Easter Rising What will become of the two young men and what effect will it have on the lives of Amelia and MaryAnn A story of conflict hope and courage Sequel to the No 1 Bestseller AMELIA **Irish Children's Literature and Culture** Keith O'Sullivan, Valerie Coghlan, 2011-03-17 What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children's literature whatever the parameters in comparison with Ireland's contribution to adult literature in the twentieth century This volume looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with all the major forms and genres Topics include the gothic the speculative picturebooks poetry post colonial discourse identity and ethnicity and globalization Modern Irish children's literature is also contextualized in relation to Irish mythology and earlier writings thereby demonstrating the complexity of this fascinating area The contributors who are leading experts in their fields examine a range of texts in relation to contemporary literary and cultural theory and also in relation to writing for adults thereby inviting a consideration of how well writing for a young audience can compare with writing for an adult one This groundbreaking work is essential reading for all interested in Irish literature childhood and children's literature **The Guns of Easter** Gerard Whelan, 2013-08-16 It is 1916 and Europe is at war From the poverty of the Dublin slums twelve year old Jimmy Conway sees it all as glorious and loves the British Army for which his father is fighting But when war comes to his own streets Jimmy's loyalties are divided The rebels occupy the General Post Office and other parts of the city and Jimmy's uncle is among them Dublin's streets are destroyed business comes to a halt In an attempt to find food for his family Jimmy crosses the city avoiding the shooting weaving through the army patrols hoping to make it home before curfew But his quest is not easy and danger threatens at every corner Discourses of Home and Homeland in Irish Children's Fiction 1990-2012 Ciara Ní Bhroin, 2021-05-22 In the context of changing constructs of home and of childhood since the mid twentieth century this book examines discourses of home and homeland in Irish children's fiction from 1990 to 2012 a time of dramatic change in Ireland spanning the rise and fall of the Celtic Tiger and of unprecedented growth in Irish children's literature Close readings of selected texts by five award winning authors are linked to social intellectual and political changes in the period covered and draw on postcolonial feminist cultural and children's literature theory highlighting the political and ideological dimensions of home and the value of children's literature as a lens through which to view culture and society as well as an imaginative space where young people can engage with complex ideas relevant to their lives and the world in which they live

Examining the works of O R Melling Kate Thompson Eoin Colfer Siobh n Parkinson and Siobhan Dowd Ciara N Bhroin argues that Irish children s literature changed at this time from being a vehicle that largely promoted hegemonic ideologies of home in post independence Ireland to a site of resistance to complacent notions of home in Celtic Tiger Ireland **Irish**

Childhoods Pádraic Whyte,2011-05-25 While much has been written about Irish culture s apparent obsession with the past and with representing childhood few critics have explored in detail the position of children s fiction within such discourses This book serves to redress these imbalances illuminating both the manner in which children s texts engage with complex cultural discourses in contemporary Ireland and the significant contribution that children s novels and films can make to broader debates concerning Irish identity at the end of the twentieth and beginning of the twenty first centuries Through close analysis of specific books and films published or produced since 1990 Irish Childhoods offers an insight into contrasting approaches to the representation of Irish history and childhood in recent children s fiction Each chapter interrogates the unique manner in which an author or filmmaker engages with twentieth century Irish history from a contemporary perspective and reveals that constructions of childhood in Irish children s fiction are often used to explore aspects of Ireland s past and present **Studies in Children's Literature, 1500-2000** Mary Shine Thompson,2004 Ranging from the

fundamental question whether a children s literature is possible or what its formal and contextual parameters might be to the exigent issues of contemporary cultural studies this essay collection inserts children s literature into literary theoretical and historical debate Safe Harbour Marita Conlon-McKenna,1996-06 Two children lose their home during the London Blitz
