Living With No Regrets Greg Fritz,2019-08-20 You cannot move forward on the road of life while looking in the rear view mirror It will hinder you from successfully reaching your destination God wants you looking forward to the future Sorrow hurt guilt and shame are not God's will for your life No matter what you've been through what you've done or what's

Live Life with No Regrets Anne Bachrach,2011-09-22 You make your own choices The choices you make will impact your life positively or negatively depending on the choice Choose to live your life with no regrets from this day forward You choose where to live and how to live If you don't like any part of your life choose to change it and start today Imagine reflecting on your past from any point in your long happy life and having no regrets How did you get here Maybe it's too late for you to live a life of no regrets but what about your future life What would have to happen from this point going forward for you to live a life of no regrets Regrets are a waste of time anyway as you can't change the past So let go of the past and decide to choose to live your life with no regrets from this day forward Living a life of no regrets doesn't mean perfection It means that we choose to make decisions with a little more thought When we look back on the choices we have made will we regret any of the choices Is a successful and happy life with few or no regrets a choice Is

success a choice or a chance collision of various uncontrollable factors In studying self improvement we learn that we can't change others nor can we single handedly change the world However we do have the power to change our own lives This is the single most important message in self improvement You do not have to settle for what you think is life's role for you You are not doomed to live a life you are unhappy living You are not enslaved to other people Any and all of these self limiting beliefs can be overcome If what you are currently doing doesn't serve you you can choose to change it right now You can choose to start by taking baby steps Start by having a day without regrets How about a business trip where you don't have any regrets What would a vacation without regrets look like and feel like What would have to happen to have an argument or touchy conversation with your spouse or child without regrets How would you have a conversation with a client you don't enjoy and not have any regrets How would you communicate with employees who may not be working to your expectations and not have any regrets Could you have a day of making everyday business decisions and personal choices without any regrets What would a day without regrets look like and feel like What would a week of no regrets look like and feel like What would a month of no regrets look like and feel like Invest in this program today and start life with no regrets tomorrow

No Regrets Genevieve Chapman, 2015-03-25 I wrote this for my children grandchildren and their offspring I lived at an especially prosperous time The Depression in the 30s did not affect our family so we lived a charmed life After the second world war life was grand Everyone could get a job the middle class was well paid They were able to buy houses put their children through college without sacrificing their old age San Francisco was as beautiful as it is today The bridges gave easy access to Marin and the East Bay Traveling abroad became a reality I wanted to share this with those who are not so lucky

No Regrets Laurel Fulkerson, 2013-06-20 No Regrets Remorse in Classical Antiquity is the first sustained study examining the circumstances under which the emotions of remorse and regret were manifested in Greek and Roman public life Despite a still common notion that remorse is a modern monotheistic emotion it argues that remorse did in fact exist in pre Christian antiquity By discussing the standard lexical denotations of remorse Fulkerson shows how its parameters were rather different from its modern counterpart Remorse in the ancient world was normally not expressed by high status individuals but by their inferiors notably women the young and subjects of tyrants nor was it redemptive but often served to show defect of character Through a series of examples especially poetic historical and philosophical texts this book demonstrates this was so because of the very high value placed on consistency of character in the ancient world High status men in particular faced constant challenges to their position and maintaining at least the appearance of uniformity was essential to their successful functioning The redemptive aspects of remorse of learning from one's mistakes were thus nearly absent in the ancient world *Summer of no Regrets* Kate Mallinder, 2019-05-02 Shortlisted for the Bristol Teen Book Award 2019 After their exams four sixteen year old best friends pledge to live a summer regret free doing what they want to do however much it scares them Sasha agrees to spend the holiday with her father in Geneva having not seen him for six

The Lie Ken Ham, 2012 Here is the revised expanded and updated edition for the 25th anniversary year Its message of biblical authority is even more relevant today This anniversary edition is an even more powerful eye opening book for the church Ken Ham once again takes the lead in pointing out the looming precipice that thousands of church leaders are rushing toward a denial of the full authority and accuracy of the Bible from its very first verse Originally published in 1987 The Lie took a bold stand which became prophetic Ken warned the church about the destructive effects of compromise with evolutionary millions of years ideas He warned that compromise in Genesis would undermine Scriptural authority in the culture and erode confidence in the infallibility of God s Word Today Christians increasingly doubt the Bible s reliability So then do those who are considering placing their faith in Jesus the Creator The issues are of critical importance when you realize that today we have Christians not only confused when it comes to Genesis and the age of the earth but now even the reality of hell Adam as a real person and Christ s own words about creation marriage and more One compromise just leads to another and it has to end if we want to leave a legacy of faith to future generations
