Without a Trace Helen Elias,2011-11 Tony and Kiana walked for numerous blocks in silence The stony silence practically screamed at them Suddenly a blinding light flooded their vision from the front They hadn t seen or heard a car approach The rain had drowned out all noise It must have been parked Three bulky men climbed from the snazzy sports car Tony sized up the situation in a flash A streak of lightning followed by a clap of thunder rolled These men had been waiting for them The

thought terrified Tony for a fleeting moment Until now he thought Nicky might have just run away Now he wasn't so sure These men were coming straight for them After her parents' deaths Kia feels like nothing in her life is right She finds herself lashing out at her brothers who try to help her and rejecting the faith that should have held her together Her self-destructive path is sharply interrupted when one night while out for a walk she and her brother are attacked As the attackers beat her brother she is shoved into the back of a mysterious car Kia's family searches desperately for her even as she struggles to figure out exactly what her kidnapper's motives really are and why one of them seems almost familiar Kia may have disappeared Without a Trace but she isn't lost to God Will she find the strength to turn to him in what she fears may be her final moments
