Dizionario Italiano, Ed Inglese Giuseppe Baretti,1829 **Bringing Back the Dead** Joe Domenici,2025-08-22 With a style reminiscent of early David Morell and Stephen Hunter in *Bringing Back the Dead* Joe Domenici presents a classic tale of military honor pushed to its outer extreme and the clash that inevitably occurs when those who use violence to corrupt meet those who use it to protect Newly retired from the U S Army Special Forces and settling into a quiet retirement in the American Southwest Ted Hickman thought he d seen his last battle Then he picked up the phone After the horrors of Vietnam for Larry Yoder the study of theology made the world make sense again Until his work as a Pastor took him to Belle Glade Florida A town built on dark secrets and run by an old boy network bent on keeping them buried Two qualities that made Yoder s devotion to faith and honesty dangerous And although you won t hear it from the local cops maybe had something to do with his sudden disappearance Except Yoder knows a few people whose loyalty lies outside Belle Glade s channels of power Like Ted Hickman Long ago as a special forces commander in Vietnam Hickman made a pledge to defend Yoder s life at any cost So when Hickman gets the call that Yoder is missing it doesn t take much convincing to get him and some of the old Vietnam A team on the first plane to Belle Glade A place located dead in the center of the Florida Everglades where men with skills honed in the jungles of Southeast Asia might prove useful in getting some answers **Even the Stars Look**

Alaska Sourdough Richard Morenus,2018-12-01 Clyde Charles Slim Williams 1881 1974 first arrived in Alaska in 1900 at the age of 19 looking for adventure He spent the next three decades trapping hunting breeding dogs and blazing trails throughout the frontier The paths of two rugged adventurers crossed and the result is wonderful entertainment Pioneer Alaska Sourdough Slim Williams told his life s story to Dick Morenus a city bred man who had lived in the Canadian bush Because both spoke the language of the North this story captures the drama and thrills just as Slim experienced them After reading *Alaska Sourdough* you will be as glad as Dick and Slim are that they were fortunate enough to meet *Fathers True* Chuck Mansfield,2023-02-23 When the author s son John suggested he write a book about fatherhood he thought with all the

books on fatherhood who needs another He concluded Perhaps I do While the book is indeed about fatherhood and fathers it also tells of other fitting paternal exemplars father figures who may not have had children of their own but nonetheless have or had the right stuff as men and mentors A central tenet herein is that good strong fathers are essential to the character building and moral fiber of our young and the very fabric and future of our currently downward spiraling society One reviewer writes the testimonials describing the influence for good one person can have over another be he parent son friend teacher comrade barber sports coach or even our children are remarkable The vignettes sometimes evoke amusement sometimes tears but lift the spirit and stay in the memory *The Trouble in Room 519* Thomas Aiello,2021-08-18 At approximately seven o'clock in the evening on May 7 1950 Gordon Malherbe Hillman filled an empty bottle with water capped it and walked into his mother's room in the pair's fifth floor suite at Boston's luxurious Copley Plaza Hotel He then edged up behind the semi invalid woman and bludgeoned her to death Hotel staff had planned to evict the two the following day after several weeks of unpaid rent Mounting debts had finally broken the fifty year old Hillman a now struggling author of mixed success but it had not always been that way as Thomas Aiello shows in his study of the life and work of this forgotten midcentury figure As a youth Hillman attended the prestigious Noble and Greenough School near Boston Pursuing a career as a writer he published several dozen pieces of short fiction and a critically acclaimed novel *Fortune's Cup* 1941 Hollywood studios purchased the rights to two of his stories and made them into films *The Great Man Votes* 1939 and *Here I Am a Stranger* 1940 But Hillman remained for the most part a middling magazine writer like the majority of fiction authors working during the Depression Although most did not resort to acts of manic violence Hillman's tenuous position in literary circles along with his gradual descent into financial ruin proved a far more common tale than the stories of literary success often pored over by critics and historians of this period In *The Trouble in Room 519 Money Matricide and Marginal Fiction in the Early Twentieth Century* Aiello weaves a compelling true crime narrative into his exploration of the economics of magazine fiction and the strains placed on authors by the publishing industry prior to World War II Examining Hillman's writing as exemplary of Depression era popular fiction Aiello includes eight stories written by Hillman and originally published in prominent midcentury American magazines including *Collier's Liberty* and *McCall's* to provide additional context and insight into this trying time and tragic life *Diabetes Literature Index* ,1978 *The pretender* Robert W. Service,2023-07-09 In *The Pretender* Robert W Service delves into the complexities of identity and ambition through the poignant narrative of a protagonist who navigates the treacherous waters of societal expectations and personal desires Employing a vivid and lyrical style Service crafts a tale rich in imagery and emotional depth reflecting his influences from both the literary traditions of the early 20th century and the cultural milieu of the Yukon The novel's exploration of existential themes places it in dialogue with contemporaneous works prompting readers to ponder the nature of authenticity in a world rife with pretense Robert W Service known as the Bard of the Yukon garnered acclaim for his evocative poetry and

storytelling often inspired by his own experiences in the Canadian North Born in England and later relocating to Canada Service's life was imbued with the rugged landscapes and vibrant characters of frontier life which informed his narrative craft His understanding of human struggles and triumphs in harsh environments brilliantly informs the multifaceted characters in *The Pretender* making it a compelling exploration of the human condition Readers seeking a profound and reflective literary experience will find *The Pretender* an essential addition to their collection Service's masterful use of language and deep philosophical inquiries invite readers to reflect on their own lives and the masks they wear This novel is a timeless reminder of the complexities of self identity making it an enjoyable and thought provoking read the Artist proposes: An inner Revolution norvie,2011-03-31 This book could perhaps be seen as a pointing out a map a how to re gear intentions into next Daily Savor moments learn from and cherish One another An example is put forth a palette of info is extended with a focus on cats but try a turn of mind It could be read as n Why not dare to live with another species and with the wish to be of benefit find yourself happy provides a major thrust This book offers a l l journey to a joy filled mindset Find deep respect within from there innately bow to One another again and again AUM YES WE can is implied throughout

When Jack Was with Us B. K. Holway,2009-05 Urban realism in the tradition of E L Doctorow William Kennedy Philip Roth and Jimmy Breslin When Jack Was With Us immerses the reader in neighborhood life in New York City from the late 1950 s through the late 1960 s Unlike many other novels by Baby Boomers this novel makes no attempt to sugarcoat or nostalgize it presents life as the author saw it while growing up in all its beauty and all its brutality There is no single protagonist a number of characters whose lives intertwine each seek to make the best out of their lives amid the rich and often volatile ethnic tapestry of New York against the backdrop of social change as the novel moves from the somnolent 1950 s through the turbulent 1960 s Each character struggles and finds his her damnation or redemption amid a city that personifies a nation in flux It is a coming of age not only for the characters but for the greater American collective psyche
