To Whom it May Concern:

I am pleased to write a letter of recommendation for Matthew McCormick. He has been working as a substitute teacher in our district for the entire 2015-2016 school year. While subbing, he has shown he has a wealth of experience in Mathematical and Technology education, great energy, and a willingness to grow professionally. He uses his experience as a teacher at the post-secondary level in his daily interactions with students, and works with them to understand how, after high school, both the academic expectations and the level of personal responsibility increase greatly. During his time at DeForest Area High School, Mr. McCormick has approached me multiple times looking for feedback. He is eager to learn and continually strives to improve. Mr. McCormick's background gives him a unique perspective on the CTE process. His understanding of the post-secondary educational system also gives him insight into the process for managing programming at the high school level. He has seen first hand what students need to be successful after high school and is eager to use that knowledge to help high school students.

If you have any further questions, please do not hesitate to contact me.

Sincerely,

Matthew N. Bauer
Assistant Principal Grades 11-12
