

NOTICE OF HIPAA PRIVACY PRACTICES

**DR. FREEMAN & ASSOCIATES
3290 CHURCH ROAD, RICHMOND VA 23233**

This notice describes how your health information may be used and disclosed and how you are allowed to access your health information.

OUR LEGAL DUTY:

Our office is required by law to maintain the privacy of your health information. Our office is required to give you this Notice about our privacy practices, our legal duties and your rights concerning your health information. We reserve the right to change our privacy practices and the terms of this Notice at any time, provided such changes are permitted by law. You may request a copy of this Notice at any time.

USE OF DISCLOSURES OF HEALTH INFORMATION:

With your signed consent, we can use and disclose health information about you for treatment, payment and daily office operations. For Example:

TREATMENT: We may use or disclose your health information to a physician or other healthcare provider providing treatment to you or consulting on your treatment.

PAYMENT: We may use or disclose your health information to obtain payment from you or your insurance providers for health services you have received.

DAILY OFFICE OPERATIONS: We may use or disclose your health information within our physical office location for the use of daily office operations such as scheduling appointments, relaying information to medical personnel, and filing insurance.

APPOINTMENT REMINDERS: We may use or disclose your health information to provide you with appointment reminders such as voicemail, answering machines, postcards, letters, or e-mail.

YOUR AUTHORIZATION:

Unless you give us additional written authorization, we cannot use or disclose your health information for any reason except those described in this Notice. We must disclose your health information to you. We may disclose your health information to a family member, friend or other person to the extent necessary to help with your healthcare or with payment for your healthcare, but only if you agree that we may disclose that information to that specific person. Copies of your healthcare records may only be released with your signature, and we will use our professional judgment in allowing a person, other than the patient, to pick up prescriptions, medical supplies, x-rays or other medical records.

PERSONS INVOLVED IN CARE:

We may use or disclose health information to notify a family member or the person responsible for your care, of your general condition. In the event of your incapacity or emergency circumstances, we will disclose health information based on our professional judgment and disclose only health information that is directly relevant to the person's involvement in your healthcare.

MARKETING:

Your health information will not be used for marketing communications with third party companies.

REQUIRED BY LAW:

We may use or disclose your health information when we are required to do so by law. We may disclose to military authorities the health information of Armed Forces personnel. We may disclose to authorized federal officials health information required for lawful intelligence, counterintelligence, and other national security activities. We may disclose to correctional institutions or law enforcement officials health information of patients who are or becoming inmates.

Medical Data Privacy Handbook Aris Gkoulalas-Divanis, Grigorios Loukides, 2015-11-26
This handbook covers Electronic Medical Record (EMR) systems which enable the storage, management, and sharing of massive amounts of demographic, diagnosis, medication, and genomic information. It presents privacy preserving methods for medical data ranging from laboratory test results to doctors' comments. The reuse of EMR data can greatly benefit medical science and practice but must be performed in a privacy preserving way according to data sharing policies and regulations. Written by world renowned leaders in this field, each chapter offers a survey of a research direction or a solution to problems in established and emerging research areas. The authors explore scenarios and techniques for facilitating the anonymization of different types of medical data as well as various data mining tasks. Other chapters present methods for emerging data privacy applications and medical text de-identification including detailed surveys of deployed systems. A part of the book is devoted to legislative and policy issues reporting on the US and EU privacy legislation and the cost of privacy breaches in the healthcare domain. This reference is intended for professionals, researchers, and advanced level students interested in safeguarding medical data.

Stedman's Guide to the HIPAA Privacy Rule Kathy Rockel, 2005-08-18
Stedman's Guide to the HIPAA Privacy Rule finally makes clear for medical transcription students and professionals the confusing legal issues surrounding the HIPAA Privacy Rule and how it relates to and affects their practice. This text provides comprehensive information about the rule itself, how it affects service owners and independent contractors, implementation guidelines, sample template contract language, and sample policies. Mnemonics and other quick aids help readers remember important information. Case-based vignettes and real world applications emphasize the practical application of the law on medical transcriptions. End of chapter critical thinking questions with answers in an appendix encourage readers to ponder and apply information.

HIPAA Privacy Source Book William S. Hubbart, 2004
Preparing business managers and human resources professionals for the myriad questions surrounding the new Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule, this guide has more than 80 tools that help employers understand and comply with the new statutes. Sample policies, procedures, and forms will aid in quickly developing a privacy program, and training materials will aid in educating employees as to its requirements. Checklists and training materials include requirements for group health plans, an authorization checklist, and a training leader's guide. A section-by-section summary of the Privacy Rule provides an accessible, summarized reference. A CD-ROM with forms, policies, checklists, and training

FAQs About Sample Hipaa Privacy Manual Books

What is a Sample Hipaa Privacy Manual PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sample Hipaa Privacy Manual PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sample Hipaa Privacy Manual PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sample Hipaa Privacy Manual PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sample Hipaa Privacy Manual PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free

alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
