

VENDOR MANAGEMENT POLICY

1. OVERVIEW

[COMPANY NAME] is committed to ensuring coordinate and consistent management of critical vendors as part of its overall management, maintain member privacy and confidentiality of member information. [COMPANY NAME] ensures full compliance with the requirements applicable law and regulations regarding risk management, vendor, and contract management of third-party service providers.

2. PURPOSE

The purpose of the Vendor Management Policy is to provide written guidelines surrounding the procurement of third-party services and products in accordance with [COMPANY NAME] (the Company) mission, obligations, and ongoing administration of Company functions.

3. SCOPE

This policy applies to all vendors and service providers. [COMPANY NAME] must enforce this policy and vendors and suppliers are required to follow.

4. VENDOR DEFINITION

A "Vendor", also referred to as a "seller", is an enterprise that contributes goods or services to other business partners.

5. POLICY STATEMENT

5.1 Business Owners will evaluate all vendor products and services, negotiate the prices, and negotiate the contract terms before contracting with the vendor. The type of evaluation will vary and should be commensurate with risk, complexity and product or service cost. A formal due diligence analysis will be conducted for any relationship where the combined implementation and annual contract costs exceed [TOTAL COST].

5.2 A Business Owner has the discretion to alter this amount or waive this requirement up to his/her authorized signing limits. Any alteration of the amount or waiver of this requirement must be documented in the due diligence file of the 3rd party vendor.

5.3 Verbal product and service agreements are prohibited. All vendors must provide, depending upon the services and products engaged, a purchase invoice, legal contract and/or service agreement.

5.4 The Business Owner will appoint, as needed, appropriate staff members to perform a due diligence review prior to entering any arrangement with a third-party vendor and due diligence reviews for existing third-party vendors.

Vendor Management: Using COBIT 5 ISACA, 2014-02-01 **Proactive Supplier Management in the Medical Device Industry** James B. Shore, John A. Freije, 2016-05-06

In order for organizations to have high confidence in the reliability of their medical devices they must ensure that each and every component or service meets requirements including quality requirements. In that light, supplier management is not only a regulatory requirement but also a business aspect. The intent of this book is to show readers a process of effectively selecting, evaluating, and implementing applicable controls based on the evaluation and ongoing proactive management of suppliers, consultants, and contractors in a state of compliance. These processes can be applied to all suppliers, consultants, and contractors. In writing this book, the authors made sure that readers could immediately apply its content. They provide best practices based on a combined 50 years of quality and engineering experience, having worked with some of the best medical device companies and contract manufacturers in the world. Four icons use throughout the book help readers navigate and understand the content. The FDA and toolbox icons assist in determining whether it's a requirement or a tool to help achieve compliance. The Lessons from the Road icon indicates real life stories and what the authors have learned throughout their careers. Lastly, the check mark icon is used to highlight key thoughts, what they feel are unique takeaways, or deserve a special focus.
