Secular Hymnal 5 12 Famous Hymn Tunes For Musicians:

Secular Hymnal 2 Secretary Michael, 2014-01-01 Whether we are aware of it or not we all know plenty of hymns They are part of our country's soundtrack In addition to being in churches they can be heard in movies and many other places The Secular Hymnal is for anybody who enjoys singing either alone or with a group All the music is written in 4 part harmony soprano alto tenor bass each on its own staff If you are singing alone just sing the main melody the soprano part Supportive chord symbols are provided If you are a family or a quartet of friends or a choir you will find the SATB parts easy to read If you wish to form a singing group with your family or friends there is no better way to make that wish come true than with these hymns We've even added SOL FA syllables to some of the songs so that singers can learn to solfege When it comes to learning about music hymn tunes are wonderful teaching tools They are so tidy with their logical structure and simple rhythms Being so small they are easy to dissect We can take them apart voice by voice bar by bar beat by beat We can study their structures their proportions their harmonies and the counterpoint between the voices Just page through a few of the hymns You will see that most are only 16 bars long Those 16 bars are divided evenly into two periods 8 bars each Each of the periods is divided evenly into two phrases 4 bars each It is so textbook perfect We can even exchange parts between different hymns like a Mister Potato Head And the truths that we learn from studying little hymns can be applied to oratorios symphonies and other large works of music Even though the music is important teachers and others sometimes feel uncomfortable about singing hymns outside of the church walls The traditional verses were not written for the general public or for the school classroom They were written for a very different purpose for worship in the churches To address this situation we have provided the old music with rich new inclusive lyrics While nothing can replace the grandeur of the original verses these new ones were carefully crafted and have a gentle beauty and intelligence of their own This booklet contains 12 well known hymn tunes with inclusive secular verses This booklet is the second volume in a series of five Although the individual volumes are easy to handle a larger Secular Hymnal is also available which contains all 60 Secular Hymns found in all five volumes

Catalogue of Poetry in the English Language Grosvenor Library, 1902 **American Publishers' Circular and Literary Gazette**, 1858 **Montgomery Ward Catalogue of 1895** Montgomery Ward & Co., Montgomery Ward, 1969-08-01 Tea gowns bleached damask and yards of flannel and pillow case lace stereoscopes books of gospel hymns and ballroom gems the New Improved Singer Sewing Machine side saddles anti freezing well pumps Windsor Stoves milk skimmers straight edged razors high button shoes woven cane carpet beaters spittoons the Studebaker Road Cart commodes and washstands the Fire Fly single wheel hoe cultivator and plow combined flat irons and ice cream freezers What man woman or child of the 1890s could resist these offerings of the Montgomery Ward catalogue the one book that was read avidly year after year by millions of Americans on farms and in small towns across the nation The Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was really like in the gay nineties for it described

and illustrated almost anything that anybody could possibly need or want in the way of store bought goods In fact in that pre department store era it was usually the only source for such goods Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV or Elizabeth I or Charlemagne what insights would we have into the daily life of the common folk the farmers and shopkeeper housewives and schoolchildren what sources of information for historians and scholars collectors and dealers what models for artists and designers In 1895 Montgomery Ward was the oldest largest and most representative mail order house in the country The brainchild of a former traveling salesman it issued its first catalogue in 1872 a one page listing of items By 1895 the catalogue reprinted here had grown to 624 pages and listed some 25 000 items almost all of them illustrated with live drawings Montgomery Ward was by then a multi million dollar business that profoundly affected the American economy and since it reached the most isolated farms and backwoods cabins its effect on American culture was almost as great Now once again available it is our truest most unbiased record of the spirit of the 1890s An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet Ph D Johns Hopkins a foremost expert on retail merchandising His monumental work *Catalogues and Counters* has long been recognized as a landmark in the study of American economic history
