Security Guard Training Manual Australia:

Security guard training manual (Vic.), 1992 Regulating the Security Industry Mahesh Nalla, Tim Prenzler, 2020-01-24

It is widely acknowledged that the size of the security industry has increased in virtually every country around the world often eclipsing conventional police forces in personnel numbers and expenditures Security providers differ from law enforcement officers in many ways yet the nature of their crime reduction activities brings them into frequent contact with citizens drawing to the forefront issues of training professionalism and accountability Unlike police officers whose training and licensing standards are well established regulations for security providers are often minimalist or entirely absent This volume brings together research on regulatory regimes and strategies from around the globe covering both the large private security sector and the expanding area of public sector non police protective security It examines the nature and extent of licensing and monitoring and the minimum standards imposed on the industry by governments across the world The chapters in this book were originally published in the International Journal of Comparative and Applied Criminal Justice

Handbook of Loss Prevention and Crime Prevention Lawrence J. Fennelly, 2012-01-27 This volume brings together the expertise of more than 40 security and crime prevention experts It provides comprehensive coverage of the latest information on every topic from community oriented policing to physical security workplace violence CCTV and information security *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70
