best friend Which makes me off limits My brother made that clear to all his friends the summer I turned fourteen That didn't stop me from falling in love with him From dreaming about sharing my future with him From wondering what it would be like to be with him It didn't stop the heated looks he'd send me when no one was paying attention Or how he always found a way to be near me to touch me To protect me For six years we fought against the waves of desire but the current kept pushing us toward one another Then I had him We collided with hurricane force Our connection explosive It felt right being with him With the first kiss I gave him my heart With the first touch I gave him my body When I saw the love in his eyes I handed over my soul I should have known it was too good to last though The next morning he was gone and my heart shattered I left it on his bedroom floor as I did the walk of shame It's been nine months since I laid eyes on him Yes I've been avoiding this moment But I can do this I can fight my attraction for one night Even if the moment I see him again I know that night is going to come rushing back to me along with the days and weeks of agony that followed Because he still owns every piece of me
