Walt Kelly and Pogo James Eric Black, 2016-01-13 One of the most popular comic strips of the 1950s and the first to reference politics of the day Walt Kelly's Pogo took on Joe McCarthy before the controversial senator was a blip on Edward R. Murrow's radar The strip's satire was so biting it was often relegated to newspaper editorial sections at a time when artists in other media were blacklisted for far less Pogo was the vanguard of today's political comic strips such as *Doonesbury* and *Pearls Before Swine* and a precursor of the modern political parody of late night television This comprehensive biography of Kelly reveals the life of a conflicted man and unravels the symbolism and word play of his art for modern readers There are 241 original Pogo comic strips illustrated and 13 other Kelly artworks as well as illustrations by other cartoonists **The**

Making of the Pentecostal Melodrama Katrien Pype, 2012 How religion gender and urban sociality are expressed in and mediated via television drama in Kinshasa is the focus of this ethnographic study Influenced by Nigerian films and intimately related to the emergence of a charismatic Christian scene these teleserials integrate melodrama conversion narratives Christian songs sermons testimonies and deliverance rituals to produce commentaries on what it means to be an inhabitant of Kinshasa *South Pacific Literature* Subramani, 1992 *Dancing Tango* Kathy Davis, 2015-01-02 Argentinean tango is a

Chavis, 2020-10-07 *Peril and Protection in British Courtship Novels* A Study in Continuity and Change explores the use and context of danger safety language in British courtship novels published between 1719 and 1920 The term courtship novel encompasses works focusing on both female and male protagonists' journeys toward marriage as well as those reflecting the intertwined nature of comic courtship and tragic seduction scenarios Through careful tracking of peril and protection terms and imagery within the works of widely read influential authors Professor Chavis provides a fresh view of the complex ways that the British novel has both maintained the status quo and embodied cultural change Lucid discussions of each novel arranged in chronological order shed new light on major characters' preoccupations values internal struggles and interactional styles and demonstrate the ways in which gender ideology and social norms governing male female relationships were not only perpetuated but also challenged and satirized during the course of the British novel's development Blending close textual analysis with historical cultural and feminist criticism this multi-faceted study invites readers to look with both a microscopic lens at the nuances of figurative and literal language and a telescopic lens at the ways in which modifications to views of masculinity and femininity and interactions within the courtship arena inform the novel genre's evolution *Algeria in Others' Languages* Anne-Emmanuelle Berger, 2002 For decades the superimposition of languages in Algeria has had

growing cultural and political consequences The relations between identity and language already complicated before independence became all the more entangled after 1962 when the new state imposed standard Arabic as the sole national language The vernacular brand of Arabic spoken by the majority of the population as well as Berber spoken by an important minority were denied legitimacy Moreover French the colonial language continued to be important all the while that its position changed The violence that ensued in the late 1980s cannot be fully understood without considering the politics of language This timely book is devoted to Algeria s linguistic predicament and the underlying disagreements over notions of identity power and belonging What problems arise when a new national language is adopted by a postcolonial state How does the status of the former colonial language change What becomes of the original mother tongue s of the populace The authors of *Algeria in Others Languages* address these questions as they explore the historical cultural and philosophical significance of language in Algeria and its relation to issues of politics and gender Their topics range from analyses of political violence to the status of the principal of evidence in the legal system to the place of Francophonie in the 1990s The authors represent the fields of literature history sociology sociolinguistics and postcolonial and gender studies some are also historical players in Algeria s linguistic debates

Communication Against Capital Rianne

Subijanto, 2025-02-15 *Communication against Capital* explores the revolutionary communication strategies of the pergerakan merah the anticolonial red movement in 1920s Indonesia Rianne Subijanto tells the story of ordinary lower class women and children and people of diverse races and ethnicities who waged their battles against Dutch colonialism within multiple arenas of communication including political associations assemblies printed matter schools and shipping lines Existing communication technologies were repurposed into mechanisms of struggle and used as weapons in anticolonial and

anticapitalist resistance In this process communist ideas merged with ideals drawn from the Enlightenment to shape the emancipatory spirit of Indonesians This red enlightenment motivated the production of revolutionary communication strategies of mobilization Subijanto s innovative work shows that the novel techniques of the pergerakan merah served to shift anticolonial mobilization in Indonesia from warfare to modern forms of communication **Enchanting the Duke (Book 1 Lords of Stratford Series)** Patricia Grasso,2015-01-15 **The Histories** Herodotus,2015-05-19 During the fifth century BC a small and quarrelsome band of Greek city states united to repel a mighty Persian army While the story of this heroic drama forms the main theme of Herodotus narrative the author s curiosity fleshes out the text with digressions folk tales and stories
