Seeking Sanctuary A Novel:

Write Your Novel One Day at a Time J. W. Judge, 2022-11-01 You've always had the ideas for your novel. Now you can do the work of writing it. Write Your Novel One Day at a Time will help develop the processes to do the creative work of writing your novel. I will show you the power of consistency by giving you a look at my daily word counts and journal entries through the six-month endeavor of writing my third novel while working my day job as a commercial litigator and raising a young family. My writing has been twenty-five years in the making and now includes four non-fiction books and three novels. All these books have been written in small chunks, a few hundred words at a time, because small increments are the only ones I have. Through this book, I will show you how showing up daily to do your creative work will help you deliver the book you want to write. But I'm not the only one who has had to juggle writing, family, and a career. In Write Your Novel One Day at a Time, I interview five successful writers who began writing their novels during their professional careers. Through these interviews and my own experiences, I will help you develop a blueprint for how you can get your creative work done. I am not a guru who has all the answers; I am a writer who is figuring things out as I go. So as I learn on the fly, I want to help flatten the learning curve and provide some encouragement for those of you who also aspire to write novels and get your words and your work into the world.

Seeking Sanctuary Hilda Reilly, 2005 Seeking Sanctuary is a rich and detailed journey into Sudan, a country that crystallizes present fears and prejudices about Islam, extremism, and borderless global terrorism. It is told through the eyes of converts, people intimately familiar with the western world but who have chosen Sudan and its apparent discomfort over their former existence. The result is not the clichéd clash of cultures or a narrative of awkwardness, but an uplifting account of joyful assimilation. The book provides an extraordinary insight into the religious journey to conversion. Its focus on the individual stories reveals the enormous complexity of motive, the subtlety of the experience, and the need for sensitivity rather than commonplace suspicion. It explains how the converts have molded their own belief systems out of a common set of values to create an existence that allows them to feel comfortable about themselves and their environment for the first time. It contains a fascinating collection of intimate portraits and individual discoveries.
