Saying What I Want When I Want:

You Say You Want a Revolution James F. Pastor, 2022-08-23 In *You Say You Want a Revolution* security expert and former police officer James F. Pastor delivers an urgent warning about America's revolutionary climate. Drawing from decades of experience in law enforcement and security, Pastor identifies concerning patterns in today's ideological landscape, from defunding police movements to critical race theory that he believes signal an imminent societal upheaval. Pastor methodically analyzes how progressive policies affect public safety, crime rates, and the stability of American institutions. Connecting ideological dots across race, religion, and politics, he argues that many current social justice initiatives actually undermine the safety and cohesion they claim to promote. With clarity and conviction, Pastor explains his Public Safety Policing model as a pragmatic response to growing disorder and potential extremism. More than just critique, this thought-provoking analysis offers a framework for understanding our fractured society and the competing visions for America's future. Pastor challenges readers to consider what truly matters: truth, love, family, country, and faith, while offering a passionate defense of traditional American values in the face of what he sees as revolutionary forces. A wake-up call for those concerned about America's direction, Pastor's message is clear: be careful what you ask for in the quest for transformation. If you enjoyed *American Marxism*, *Live Not By Lies*, and *The Madness of Crowds*, you'll love *You Say You Want a Revolution*. ***The Woman Who Knew What She Wanted*** William Coles, 2013-05-15 Kim is a waiter in a Dorset hotel, an absolute hot bed of sex. But he's seeing none of it. Instead, he falls for Cally, a 43-year-old artist who is steaming with chutzpah. She is a woman who grabs life by the throat; she knows what she wants, and most of the time she gets it too. She lives only in the moment, losing a number of her nine lives and nearly killing Kim in the process. Kim finds love as he has never known it before, but even when he's completely in Cally's thrall, he's still unable to resist the allure of other younger women. A couple can bridge a 20-year age gap, but can they ever make the relationship last? This is the third book in the series, following on from *The Well-Tempered Clavier* and *The Woman Who Made Men Cry*. ***The One You Want*** Gena Showalter, 2015-03-01 New York Times bestselling author Gena Showalter introduces the Original Heartbreakers, beginning with a ruthless businessman about to break his own rules in this special prequel novella. Rich, powerful, and utterly untamable, Dane Michaelson is every woman's darkest fantasy. When he returns to his hometown to witness his father's upcoming nuptials, he is unprepared for the redheaded beauty soon to become his stepsister. He's never wanted anyone more. Kenna Starr has no desire to join the long list of women on rotation in Dane's bedroom. The single mom learned the hard way: bad boys do bad things, and someone always gets hurt. But Dane isn't fighting fair. With every heated look, stolen kiss, and illicit caress, he melts her defenses. Soon the girl with the rep and the man who claims to be heartless are locked in a passionate affair. But when trouble arises, will they stand together or fall apart? Look for the next books in the Original Heartbreakers: *The Closer You Come*, *The Hotter You Burn*, and *The Harder You Fall* from HQN Books. ***Any Way You Want Me*** Yuwanda Black, 2014-05-19 PROLOGUE You know

Fine, 2015-06-16 A unique manual to raising a child for parents everywhere using the metaphor of dance to provide expert comforting advice Having children and raising a family should be the greatest joy in one's life but it is a role that requires tremendous responsibility and patience As parents our job is to provide a strong foundation for our children so that they can eventually grow up to become self-sufficient adults However just like everything in life all children are different some requiring more support than others and to varying degrees over time Parenting is like a dance between parent and child The more seamless the movements the more graceful the interaction When a parent takes the lead or decides to share over time with practice the dance can be smooth and effortless Nevertheless when the child is unintentionally allowed to take the lead the parent-child dance may appear more rocky and unstable This often occurs when the parent is unclear and at odds with their role The ensuing battle for the lead may cause disharmony in the relationship and the dance Parenting is a lifelong commitment that takes patience thoughtfulness and skill The Parent-Child Dance is designed to explain the concept of the dance and act as a catalyst for

encouraging parents to begin their journey in making positive changes in their child's life Parents will recognize the scenarios and gain insight through humorous examples and step by step strategies to avoid disharmony *Companions for the Passage* Marjorie Ryerson,2005 Stories of people who have been with and cared for a loved one at the moment of death
