The Scarlet Letter: Chapters 16-24 Reading and Study Guide

I. Focus Activity

1. In what ways does our society demand that we conform to certain conventions?

II. Setting a purpose

1. Read to find out how Hester copes with the demands of her Puritan society.

III. Background

1. Colonial Government

The government of Massachusetts was by no means a democracy. Rather, it was a theocracy—a state governed by its church. The General Court had decided, early on, that only church members could become freemen of Massachusetts. That is, only church members could take part in the government of the colony. The ministers—the officials of the church—were not actually political leaders, but they held great power and influence over all church members. Ministers' interpretation of the Bible and their "management" of moral codes and conduct applied to all residents of the colony, whether a lowly freeman or the governor himself. In spite of the rigidity of the social and political structure, government in colonial Massachusetts did adapt to the people's requirements. At first, the governor, deputy-governor, and other officers held their elected positions for life. The freemen, however, wanting more say in choosing their leaders, eventually had elected positions changed to annual appointments. Thus, by the mid-1600s, the annual election day, as observed in *The Scarlet Letter*, had become an established event.

IV. Did You Know?

1. Conflict is at the heart of plot. The conflict may be between people, between people and nature, or within a single person. Hawthorne skillfully employs several kinds of conflict in *The Scarlet Letter*. By doing so, he creates tension and adds depth and complexity to his characters.

3. How is Pearl compared to the babbling brook?
4. In what way does Hester acknowledge her sin to Pearl?
