CHAPTER 10 Section 1

Reading Comprehension 3

1. To make laws.
2. Historical: British Parliament had two houses and so did most of the colonies, so that's the system with which the Framers were familiar.
Practical: The States could not all agree on either proportional or equal representation because the populations were so varied. The only way to get them to agree was to have two houses.
Theoretical: The Framers thought it would be easy for Congress to become too powerful, so dividing it would ensure that each house checked the other.
3. Some States had much larger or smaller populations than others. The large States would not have agreed to a Congress with equal representation for each state, while the small States would not have agreed to a Congress with representation based on population.
4. a. term; b. session; c. session
5. A term is the period between noon on January 3 following an election and noon on January 3 following the next election.
6. A session is the period of time during which, each year, Congress assembles and conducts business.
7. The President may convene a special session in an emergency and dismiss Congress when the two houses cannot agree on a date for adjournment.
8. Before World War II, Congress met only for four or five months per year; today, they are in session for most of the year.

Introduction to Sociology 3e Tonja R. Conerly, Kathleen Holmes, Asha Lal Tamang, 2024-09-09 Introduction to Sociology 3e aligns to the topics and objectives of many introductory sociology courses. It is arranged in a manner that provides foundational sociological theories and contexts, then progresses through various aspects of human and societal interactions. The new edition is focused on driving meaningful and memorable learning experiences related to critical thinking about society and culture. The text includes comprehensive coverage of core concepts, discussions, and data relevant to a diverse audience and features that draw learners into the discipline in powerful and personal ways. Overall, Introduction to Sociology 3e aims to center the course and discipline as crucial elements for understanding relationships, society, and civic engagement; the authors seek to lay the foundation for students to apply what they learn throughout their lives and careers. This is an adaptation of Introduction to Sociology 3e by OpenStax. You can access the textbook for free at openstax.org. Minor editorial changes were made to ensure a better reading experience. Yet these laws can be complex, confusing, and difficult to relate to the reality of nursing care. This book is a clear guide to the Mental Health Act and Code of Practice, which explains the specific duties, responsibilities, and powers of mental health nurses and the care of detained patients in particular. It explains the most frequently encountered parts of the Act and Code and clarifies common misunderstandings. It outlines dilemmas faced by nurses which may arise from possible conflicting responsibilities. It also gives an introduction to other major legal considerations that mental health nursing students need. Key features: Specific guide to the law for mental health nursing students, written by experienced practitioners involved in MHA regulation in England. Case studies and examples help the reader relate the law to their clinical practice. Multiple choice questions and activities help students to develop confidence and become critical and independent learners. Linked to relevant NMC Standards and ESCs for degree-level education. **Access to History for the IB Diploma: Civil rights and social movements in the Americas** Vivienne Sanders, 2013-02-08 Ensure your students have access to the authoritative, in-depth, and accessible content of this series for the IB History Diploma.
