

THE SEED OF GREATNESS

It is depressing that children of God are seeking for the purpose of their lives everywhere except within themselves.

Whatever you have gone through in life, whatever you have achieved and whatever you intend to achieve in life, whether you are a student, a homemaker, an employee, an employee, entrepreneur, a business person, a leader anywhere in the world, Oluchi Madu has a word for you on how you can revive, nurture and grow the seed of greatness buried right inside you. It does not matter what.

What the society says about you

Circumstance says about you

Background says about you

What really matters is what God says about you and He says that you can do all things through Christ Jesus who strengthens you.

You are created to live a life of specific purpose and not just to exist and fade away. You are created to make history and be a blessing to your generation. You are created to look forward to every second of your life and not to be depressed and bored with life. You are created to live happily and fulfilled.

Discover the seed of greatness buried inside you and live your life to the fullest because a life full of life is a life lived on purpose!

Breen,2014 The human mind is the pinnacle of creation It is spiritual and emanates from the human brain initially at any rate It is sociable and abstract and has an enormous coefficient of expansion It can love It can think It can believe It is the faculty that sets us apart from all other levels of being on the planet It inhabits a dying world which has flickers of life like fireworks which sooner or later disappear like Chinese lanterns in the sky We disappear too but our minds live on hankering to be reunited with our old flames our bodies Then the orchestra rises in crescendo as our minds and bodies reunite for better or for worse and ride into the sunset Great stuff Read all about it The mind and body inseparable in life and separated at death reappear in This is Your Life Last Epic Episode What will it be A comedy a tragedy or a thriller It is all up to free will and belief The believing mind is all powerful provided it engages rationality honestly [Official Manual of the State of Missouri](#) Missouri. Office of the Secretary of State,1933 [The Human Mind and Belief 3 - Reloaded](#) Eugene G. Breen,2014 Man s search for meaning is a perennial quest The workings and desires and hopes and frustrations of the mind tell us many things about it and why it is the way it is The awesome capacity of the entire person to become addicted to almost anything throws a light on our strength and also our weakness The human face is a shadow cast by the mind and more often than not it functions as a one way mirror rather than a true reflection of what is going on beneath the surface We become attached to people and things and we actually love The exhilaration of true joy crafted onto a robust scaffold of pain and disappointment and suffering and sorrow is counter intuitive yet very real Joy in the possession of the beloved is as good as it gets down here but our minds pine for this bliss always This longing for joy is not a vestigial structure in a once functional lobe of our primordial brains that has become atrophied due to disuse It is the flicker of light at the end of our tunnel showing us the way to go The human mind is truly a blueprint of our destiny
