THE NEW CHANGES TO THE SELECTIVE SCHOOL TEST PRESENT A REAL CHALLENGE TO STUDENTS

WHICH IS WHY UPDATED PRACTICE PAPERS ARE SO IMPORTANT.

In 2021 the NSW Selective School test undergoes a complete makeover. Some of these changes include:

General ability is replaced with a brand-new paper called Thinking Skills, which places more importance on students using their best judgement.

Maths is replaced with Mathematical Reasoning, which fuses language and maths together and brings an additional answer option for each question.

An overhaul of the number of questions and time limits.

This is by far the biggest change to the selective school test layout we have seen in decades.

However, despite these changes the best way to prepare for the test is still the same: completing practice papers!

Our team of expert tutors and educators have created practice papers modelled off the Cambridge selective school test, designed to replicate the exam experience and give your child the strongest advantage going in to the selective school exam.
