secularization our traditional views of sex have fallen by the wayside The religious right bemoans our so called hedonism as a retreat from religion and values Yet Pickstone challenges the belief that we have lost our spirituality and have become a world of lost souls damned for eternity His book provides a sober and lucid response to our concerns about where our society is headed Pickstone clearly demonstrates how we often describe sex in metaphors of natural and even supernatural phenomena The earth moves oceans swell and storms rage Moreover Pickstone argues we find in both sexual and religious passion the same transcendence of self that constitutes a spiritual experience Barriers break down as we are transported to another reality of ecstasy and heightened experience *The Complete Idiot's Guide to Awakening Your Spirituality* Jonathan Robinson,2000 Explores methods of increasing spirituality including meditation redirection of negative emotions and use of workshops and retreats

Charney,2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be called literary studies New Accents is intended as a positive response to the initiative offered by such a situation Each volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the boundaries that currently define literature and its academic study *Histerotica: The Complete Collection* Evelyn

newspaper accounts and rare photographs and illustrations to tell the full story of this controversial opera Puccini and the Girl considers the production and reception of Puccini's cowboy opera in the light of contemporary criticism providing both fascinating insight into its history and a look to the future as its centenary approaches Engrossing An eminently readable ideally direct and information packed book William Fregosi Opera Today [The Awakening](#) Jimmy W. Ohern,2010-04-16 What do you do when you have amnesia are scarred severely but have nearly 4 000 in cash How do you start life with no past and no information Our main character adopts the name John Sullins He realizes he has extensive knowledge of crime and the criminal lifestyle He finds himself drawn to three dangerous career criminals who are looking for the perfect heist Afraid to go to the police and afraid to be involved with the robbery John falls in love with the beautiful intended victim of the heist putting her life in extreme danger *Border-Crossing Japanese Literature* Akiko Uchiyama,Barbara Hartley,2023-07-21 This collection focuses on metaphorical as well as temporal and physical border crossing in writing from and about Japan With a strong consciousness of gender and socio historic contexts contributors to the book adopt an intercultural and interdisciplinary approach to examine the writing of authors whose works break free from the confines of hegemonic Japanese literary endeavour By demonstrating how the texts analysed step outside the space of Japan they accordingly foreground the volatility of textual expression related to that space The authors discussed include Takahashi Mutsuo and Nagai Kaf both of whom take literary inspiration from geographical sites outside Japan Several chapters examine the work of exemplary border crossing poet novelist and essayist It Hiromi There are discussions of the work of Tawada Y ko whose ability to publish in German and Japanese marks her also as a representative writer of border crossing texts Two chapters address works by Murakami Haruki who although clearly affiliating with western cultural form is rarely discussed in specific border crossing terms The chapter on Ainu narratives invokes topics such as translation indigeneity and myth while an analysis of Japanese prisoner of war narratives notes the language and border crossing nexus A vital collection for scholars and students of Japanese literature **The Pocket Guide to Plays & Playwrights** Maureen Hughes,2009-03-19 Everything you need to know about plays and playwrights in one handy guide by leading expert Maureen Hughes who has had one of her 8 musicals produced in the West End and teaches musical theater Covering everything from the top playwrights through the centuries to a comprehensive A Z listing of plays from around the world Accessibility is a key selling point with factboxes highlighting key or curious facts about the subject **Babel Unbound** Lesley Cowling,Carolyn Hamilton,2020-05-01 In this timely original and sophisticated collection writers from the Global South demonstrate that forms of publicness are multiple mobile and varied The notion that societies mediate issues through certain kinds of engagement is at the heart of imaginings of democracy and often centers on the ideal of the public sphere But this imagined foundation of how we live collectively appears to have suffered a dramatic collapse across the world with many democracies apparently unable to solve problems through talk or even to agree on who speaks in what ways and where In the 10 essays in this timely original and

sophisticated collection writers from southern Africa combine theoretical analysis with the examination of historical cases and contemporary developments to demonstrate that forms of publicness are multiple mobile and varied They propose new concepts and methodologies to analyse how public engagements work in society Babel Unbound examines charged examples from the Global South such as the centuries old Timbuktu archive Nelson Mandela as a powerful absent presence in 1960s public life and the challenges to the terms of contemporary debate around the student activism of rhodesmustfall and feesmustfall These show how issues of public discussion span both archive and media verbal debates in formal spaces and visual performances that circulate in unpredictable ways
